Redistrict Plan Places Pupils Back In Own Areas

By Linda S. Corbett

A redistricting plan that could return to Shawsheen and Sanborn Schools areas that once were theirs, will be acted on by the school committee March 14.

The plan, which was introduced by school administrators Tuesday night, redistricts some 150 to 175 pupils from overloaded West Elementary back to Sanborn and Shawsheen Schools in September. Both of the latter two are presently facing dramatic declines in enrollment and Shawsheen, particularly, is underutilized. Both had given up some of their pupils to West nine or 10 years ago.

The school committee's goal of balancing enrollments so there can be "consistency of services" throughout the system is nearly achieved by the plan, ac-

cording to Bancroft Principal, Jack Coyle, spokesman for the administrative group.

That means that most schools will have, in addition to regular classrooms, some space for special services such as art and music, media, math and language labs, learning disabilities, adaptive phys ed, speech and hearing and school adjustment counsellors.

Also considered by the administrative group, but rejected in favor of redistricting, were reorganization of the grade structures townwide, and a voucher system, or open enrollment.

Under the recommended proposal, the area which would be redistricted from West to Sanborn runs generally from the Lowell-Lovejoy intersection up Greenwood Road to Dean Circle and along Lowell Street to the Animal Hospital. It

takes in Greenwood Road, Tiffany Lane, Cottonwood Circle, Exeter Way, Lancaster Place, Lowell Street, Knob Hill, Lansbury Lane and Candlewood Drive.

Redistricted from West to Shawsheen would be the Shawsheen Road area from Stevens Street to Lincoln Street, and Lowell Street from Lincoln to Iceland Road.

Streets included would be Mary Lou Lane, Marilyn Road, Lincoln Street, Theodore Avenue, Smithshire Drive, Beech Circle, Lincoln Circle, Canterbury Street, Lowell Street, Cindy Lane, Cyr Circle, Arthur Road, Lillian Terrace, Cassimere Street, Iceland Road and Stevens Street.

The School committee's first reactions were voiced in a work session with the administrators, to which the press was not

invited, before the regularly scheduled public meeting.

At the latter session, however, several committee members expressed concern that the proposal is a "first step" only, and that they don't know but what they'll be back in the same boat a few years from now.

The plan is based on enrollment projections through 1982-83 school year, and one of the school committee's considerations all along has been for minimum disruption. They want youngsters to be moved only once during their elementary careers.

Committeeman Joseph Finn said he had the feeling that if they voted for the plan now, they would be "starting to walk down a blind alley."

"I'm not saying that this is not the best alternative," he added; "It may well be."

He also questioned if the committee were in a position to decide about opening or closing a school down the road. He said he would like to see that issue resolved so people would know long-range plans. He said he particularly didn't want to perpetuate the situation at Shawsheen where the parents don't know from year to year if their school will be closed.

Awarded Four Year Scholarship To Duke

By Robert E. Finneran
Editor

Dan Welsh, co-captain and quarterback for Andover High last season, has been awarded a full four-year scholarship to Duke University in North Carolina.

The son of Mr. and Mrs. Robert Welsh, 199 River Road, he was viewed in action by officials of the school, who also viewed films of his game performances. Welsh also visited the North Carolina campus before being offered the full scholarship.

Dick Collins, head football coach at Andover High said of Welsh's award, "We are elated. This is not only an outstanding school academically, but it is also big-time football. For Dan to have been awarded this full scholarship is an outstanding accomplishment."

The scholarship includes full tuition, room and board and other expenses incurred in the pursuit of his academic degree, in accordance with NCAA rulers.

Welsh was a defensive end as a

sophomore when Andover won the Division II Super Bowl against Plymouth-Carver at Boston University field.

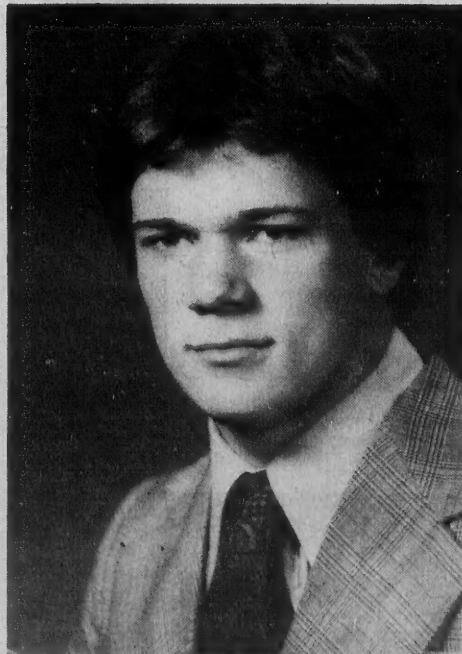

For the past two years he has been the Golden Warrior starting quarterback and this past season amassed impressive statistics.

He set a record for total offensive yards gained by an Andover quarterback with 1,955 yards during his career. This is particularly impressive when sacking the quarterback results in deletions from yards gained.

He completed 81 of 195 passes for 13 touchdowns and a total of 1,338 yards.

Last season he carried 112 times for 617 yards, a 5.5 yards per carry average. He tied with Paul Farmham in leading the team in touchdowns with nine.

The six foot, one-inch, 200 pound senior also is a member of the basketball and spring track teams.

Russian Chorus, Jazz Band Scheduled For Series

Why travel great distances when you can enjoy cultural events in comfort and convenience in Andover?

The Recreation Community Schools

Department is planning an Andover Cultural Series, featuring such groups as the Yale Russian Chorus and the New Black Eagle Jazz Band, to be held this spring.

In an effort to encourage series ticket sales rather than individual event tickets, there will be a promotional celebration Sunday, April 2, at Phillips Academy, featuring several P.A. music department faculty members. Their performance, as well as post concert refreshments, will be

free to those holding series tickets. The cost of series tickets will also be less than the total of tickets purchased individually.

Further details will appear in next week's TOWNSMAN, with tickets going on sale the following week.

Candidates Coffee Saturday

The Andover League of Women Voters will be holding a Candidates Coffee this Saturday, March 4, from 9:30 to 11:30 a.m. in the lobby of the Andover Savings Bank.

This annual event gives citizens the opportunity to meet the candidates in the local election and discuss issues informally with them over coffee and doughnuts.

In addition to the Candidates Coffee and Candidates Night to be held on March 21, the league will be mailing a Voters' Information Guide to every household in Andover in an effort to acquaint all voters with candidates and issues in a non-partisan way. The League does not support or oppose any candidates for office.

The League would also like to remind people, especially newcomers to town that Tuesday, March 7 is the final day to

register for the March 27 election and the Town Clerk's office in town Hall will remain open until 10 p.m. that evening for voter registration. It will also be open this Saturday, March 4 from noon until 8 p.m. for the same purpose. Normal hours for registration at the Town Clerk's office are from 8:30 a.m. to 4:30 p.m., Monday to Friday. Prospective voters are advised to bring with them some personal identification and proof of residency when they go to register.

Choral Society In Rehearsal

The Andover Choral Society is celebrating its 50th year under the direction of J. Everett Collins. It is presently rehearsing "The Seven Last Words of Christ" by Theodore Dubois.

All interested singers are welcome to join the group for a Sunday, March 19 presentation. Rehearsals are 8 p.m. Tuesdays at the Andover High School Music Room.

Attendance In Schools Nearly Normal

Supt. Kenneth R. Seifert reported Tuesday night that absences for the three days following last week's February "break" were about normal, with the exception of the high school where absenteeism was "just a bit high."

Seifert said that on Thursday, about 10 percent of the pupils were absent system-wide, whereas 8 to 9 percent is "usual." Absenteeism went from a high of 14 percent at the high school (where 9 to 10 is usual), down to a low of eight percent.

Seifert reported that faculty attendance was even better than

usual, despite negative forecasts by some people that families would take off the whole week as in years past.

Seifert said he had had many positive calls in reaction to the shortened February vacation this year. However, he said, staffers and representatives of the Andover Education Association have asked for greater participation in planning next year's school calendar.

When asked why absenteeism was higher at the high school, Seifert said he could only guess "the slopes."

Walking Conditions "Safe"

Seifert said that the school safety officer has reviewed the Elm Street area, where parents had expressed concern for youngsters who walk to school, and deemed it "safe."

The school department therefore has taken no action to transport youngsters to and from school or to close the streets during school hours.

at the last committee meeting,

Seifert said parents, particularly in the Elm Street area, had complained because the sidewalks were unplowed and the youngsters had to walk in the street.

However, Seifert said then that plowing in areas beyond school property has been a "service" extended residents over the years, not a requirement, and that homeowners are in fact responsible for clearing their own sidewalks.

Release Time Activities Outlined

Andover teachers will have a "release day" or "inservice day" March 8 — pupils will get another day off. Supt. Kenneth R. Seifert said this week, however, that the town will be getting "a fair shake" in return for the inservice time.

On the secondary level, he said teachers will be working on educational specifications for the

building project, 766 guidelines and legal requirements, 9th and 10th grade articulation and 6th and 7th grade articulation.

In the elementary schools, teachers will be spending time on the ungraded primary project, the early childhood-kindergarten readiness project, next year's grouping patterns and an update of math and social studies steering committee recommendation.

Town Employees Appointed

The selectmen Monday night named Thomas Andrew acting deputy fire chief and Craig Anderson, Acting fire lieutenant, while Paul Connolly, Jr., was appointed

civilian fire dispatcher.

In another area, Barbara Pulsford was appointed library assistant, and Dorothy Sherrerd, library program coordinator.

Forum Set For Vale

The March 14 Recreation/Community Schools Committee meeting will be an open forum held at Ballardvale Community Center at 7:30 p.m. In addition to its regular agenda the Committee will

discuss the Community Center in terms of its changing usage. Residents of the Ballardvale community are encouraged to share their views with the committee at this time.

Conducting Workshop

Dr. Vaclav Nelhybel, composer-in-residence at Lowell University, will be conducting a workshop Monday night at the West Junior High school as part of the "Music In Our Schools Week," observance by Andover public schools.

Music Week Celebration Set

National "Music In Our Schools Week" will be celebrated in Andover next week, complete with distinguished guest conductors and a full schedule of workshops and concerts.

Dr. Vaclav Nelhybel, composer-in-residence at Lowell University will be conducting a workshop for the High School choir Monday night at 7:30 in the West Jr. High Auditorium. The public is invited, for a nominal donation, to sit in on the session.

The choir will be singing music Nelhybel wrote, and he will be discussing his techniques — both traditional and contemporary — and what he intended while writing the music.

The All Schools Orchestra will perform at 7:30 p.m. Tuesday at West Jr. High Auditorium, under the baton of guest conductor Jacqueline Dillon. Mrs. Dillon is educational director of C. G. Conn, Ltd., the music company, and specializes in working with young people.

She will be working with beginners in the Andover High Orchestra Room on Monday morning, and with the advanced orchestra on Tuesday morning. Andover High Orchestra Conductor Linda Roby is inviting interested persons to attend the rehearsals as well as the concert.

"A Trip Down Memory Lane," a concert rescheduled from Feb. 15, will be performed Wednesday night by the High School Concert Band with Alfio Graceffa conducting, and the High School Choral Groups, with Keith Gould and J. Everett Collins conducting. Tickets from Feb. 15 will be honored, and additional ones will be available at the door of West Jr. High Auditorium for the 7:45 p.m. event.

The week's events will conclude Thursday evening, same place, same time, with a concert by East and West Jr. High choruses and the combined junior high

band.

The East Jr. High chorus is expected to perform selections from its recent production of "H.M.S. Pinafore," and the West Jr. High Chorus will perform in regular concert.

The purpose of hibernation is to conserve energy when food is scarce.

R/CS-capades

The Andover Recreation Community Schools Department is introducing a weekly column into the Townsman this week entitled "R/CS capades." This column will feature short articles concerning upcoming Recreation Community Schools programs, cancellations, and new program announcements.

It is hoped that by summarizing Recreation Community Schools news in this convenient and efficient manner, the community will be better able to locate program information. Larger articles concerning Recreation Community Schools events will continue to appear in various parts of the Townsman as they have in the past.

Doll House Workshop

The Children's Dollhouse Workshop originally set for Feb. 7, at South School has been re-scheduled to Tuesday, March 7 from 3:30-6 p.m. at the Sanborn School cafeteria. There are still several open spaces in this class and registrations will be accepted at the Recreation Community Schools office up until the day of the program or until the class is filled.

Girls Basketball

This week's Recreation Community Schools Girls' Basketball League games will be as follows: 9 a.m., Bancroft 78'ers vs. Sanborn Stars; 10 a.m., Shawsheen Red Hots vs. South School; 11 a.m., Doherty vs. West Wildcats; 12 p.m., St. Mary's vs. West Junior Warriors; 2:30, St. Mary's vs. Mr. Cohen's West Junior High School team; and East Junior High draws a bye.

Volleyball

Registration forms and information sheets for the 1978 Town Volleyball Tournament are now available at the Recreation Community Schools office. Individuals living or working in Andover are eligible to participate in the event. Dates for the tournament are March 21, 28, and April 4, and competition will be divided into Junior Senior High School; Adult; and Co-ed divisions.

Table Tennis

The Recreation Community Schools Table Tennis Tournament will be held on Saturday, April 1, at the West Junior High School. Registration forms, rules, etc. will be available at the Recreation Community Schools office beginning on March 1. Those persons who signed up for the tournament in December should let the Department know whether or not they plan to play in this April's competition.

Free Lead Testing For Local Tots

The Greater Lawrence Community Action Council's Lead Paint Prevention Program is offering free lead testing for all children ages 1 to 6 in the Greater Lawrence area.

Testing is done in Greater Lawrence Community Action Council offices located at 11 Lawrence St., Bay State Building, Room 402, from 9:30 a.m. to 4 p.m., and on home visits.

Since it is difficult this time of year for outreach workers to go door to door to provide this service, the G.L.C.A.C. Inc., would like to encourage parents to bring their children to the G.L.C.A.C. offices for this free test. Please call the Council for any additional information.

Programs At "Y"

The Greater Lawrence Y.M.C.A. 40 Lawrence St., will be offering a variety of physical education programs for preschool boys and girls. A parent-tot gym and swim program for three to five year olds will be held on Tuesday and Thursdays beginning at 9:30 a.m. A tot-grad swim program for five to seven year olds takes place on Tuesday and Thursday or Friday.

A new kinder-swim program for kindergarten age children will also be held. Classes will be scheduled at 8:30 a.m. and 1:30 p.m. on Tuesdays and Thursdays. All courses will be offered for the Spring Term.

A new program will allow parents to attend a Fitness Class while their children are learning to swim. Classes begin the week of March 20 and run for 10 weeks. Registration for all pre-school programs will be held March 13 to 17th at the Lawrence Y.M.C.A. 40 Lawrence St., Lawrence.

Kindergarten Screening A Positive Experience

Kindergarten pre-registration, for youngsters who will be five before Sept. 1 and therefore eligible for kindergarten next fall, continues through tomorrow in Andover elementary schools.

Parents are asked to contact their neighborhood schools for pre-registration in the contemporary program, or West Elementary School for the traditional learning alternative.

Letters will go out to all those parents next week, explaining the pre-kindergarten "screening" process which will be held the last week in March and the first two of April.

The screening, according to Early Childhood Specialist Linnea Gershenberg, is required by state law of all five-year-olds before they can enter kindergarten. Parents who would like to have the screening done privately may do so at their own expense, as long as it is approved by the school.

Some parents, Mrs. Gershenberg says, look at screening as seriously as if it were part of the college admission process, when they should be more relaxed about it.

Youngsters do not "pass" or "fail" the screening, she says, and it is not a tool to determine whether or not they'll be admitted to kindergarten in the fall.

The whole idea, she says, is to identify children who may have problems walking, talking, seeing, hearing, or playing that might adversely affect a child's ability to function normally in the classroom.

Then special services are available to those youngsters perhaps even before they begin school. Then their school program can be tailored to meet their individual needs, thus sparing them the frustrations they might otherwise face in a regular kindergarten program.

Before the 1970's, Mrs. Gershenberg says, schools talked about whether a child was "dumb" or "smart." Now, she says, they realize that developmental delays have an important affect on a child's ability to perform.

While the law does not require screening of three and four-year-olds, that service is also available, at no cost, through the schools, and parents of youngsters who will be four before Sept. 1, are asked to contact Mrs. Gershenberg at the Chapter 766 office at Jackson School.

Screening for three and four-year-olds will be held the last week in April.

Meanwhile, parents of "fourth quarter youngsters," those who will be five between Sept. 1 and Dec. 31, 1978, and

would have been eligible for kindergarten before the new cutoff date went into effect this year, may also contact their schools at this time.

An orientation session for all parents of

pre-kindergarten children has been set for March 20 at 7:30 p.m. in West Elementary School. The whole developmental screening process and the pre-kindergarten program will be presented at that time.

Daly Earns Degree At London U.

The academic registrar of the University of London has announced the award of the degree of Doctor of Philosophy to Martin W. Daly, Jr., son of Mr. and Mrs. Martin Daly, 20 Wolcott Ave., Andover.

Dr. Daly attended St. Augustine School and was a 1968 graduate of Phillips Academy. Hew took his B.A. honours degree in history at McGill University in 1972, and his M.A. from McGill's Institute of Islamic Studies in 1974. At McGill Dr. Daly was the recipient of several awards and fellowships, and was president of the Post-Graduate Students' Union. At the university of London, Dr. Daly was enrolled in the School of Oriental and African Studies. He was awarded a Central Research Fund grant, with which he conducted research in the Sudan, and held a post-graduate fellowship.

Dr. Daly, whose first book is to be published next year in Britain, is currently lecturing at New England College in Arundel, Sussex.

At the present rate of clearing and destruction the Amazon's 1.5 million square miles of forest will have disappeared in about 45 years, Massachusetts Audubon reports. Each year 40,000 square miles are cleared to open up land for farming, timber and other forest products.

Shop On Main Street

"The Shop on Main Street" (1965) will be shown this Friday, March 3 at 7:30 p.m. Czechoslovakian master Jan Kadar has constructed a human drama that is a moving manifesto of the dark dilemma that confronted all people who were witnesses to Hitler's massacre of the Jews. This film won prizes at the Cannes and the New York Film Festivals and was an Academy Award nominee.

March Art Display

This month's art display is a selection of oils and watercolors by Pamela Fox. Ms. Fox studied at the Boston Museum of Fine Arts School and graduated from Tufts University with a degree in art education. She has exhibited at the Ogunquit Art Center, Maine, the Springfield Museum of Fine Arts, the Boston Center for the Arts and others. The exhibit will begin on March 4.

Children's Room News by Ruth Hooten

Now that Spring seems right around the corner, the Children's Room's preschool programs have started! On March 3 Films on Fridays will present "King Midas and the Golden Touch," "Mike Mulligan and his Steam Shovel", and a third movie to be announced. The program is a half hour long and will be shown at 10:30 a.m. and 2 p.m. All preschoolers accompanied by an adult are invited. There will be films every Friday for ten weeks, except for the April school vacation.

Tap The Horn

On cold mornings, sound the horn before starting the engine of your car. Small animals have a tendency to crawl up under the hood seeking warmth and a tap on the horn in the morning can help you avoid an unpleasant experience, says the Department of Motor Vehicles.

Senatorial Conference

State Senator William Saltonstall met recently with a group of "future leaders," Andover pupils in a special enrichment program, and agreed to sponsor their bill asking for a state policy on education for the gifted and talented. With him here is Stephanie Weinstein, a fifth grader at Sanborn School.

Hearing Set For Students' Bill

A group of "gifted and talented" pupils in the Andover system will soon be taking their case to the State House.

Some 15 youngsters — fifth and sixth graders enrolled in a special enrichment project called "The Leadership Program" — will appear before the State Senate's subcommittee on education at 10:30 on March 15.

They're asking parents and other interested persons to join them in Room 480 of the State House in support of a bill which they submitted, through State Senator William Saltonstall, for a policy on education of gifted and talented pupils.

"There's a policy for just about every other kind of education," says Joan Robinson, media specialist at Doherty School and sponsor of The Leadership Program, "but none for these youngsters."

The pupils, who have already made a couple of trips to the State House, drew up the bill in the works.

If the education committee lends its support after a public hearing on the 15th, the bill will come up for vote by the whole Senate, and then be passed along to the house of Representatives.

The pupils met Tuesday to prepare their presentation for the public hearing and plan their lobbying strategies for later on. They are asking interested persons who cannot attend the hearing to write their

support to their state senators and representatives.

The Leadership Program is one of several established in Andover schools to provide extra challenge for youngsters with extraordinary ability. Other groups are involved in the fine arts, science, math and the like. Doherty Principal Lois Haslam is the system-wide coordinator.

Birthday Week

You will help the Campfire Girls celebrate their birthday by attending the Birthday Week Celebration, March 13 through 18, at the Billerica Mall.

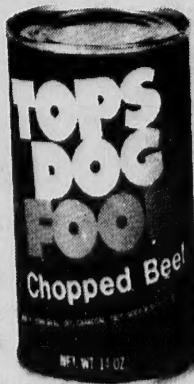

Camp Fire girls and Blue Jays from Billerica, Andover, Chelmsford, Lowell, Methuen, Tewksbury, Westford and Wilmington will participate in several plays and demonstrations, as well as manning more than three dozen displays of projects in arts and crafts completed throughout the year.

Moose come out of the woods to be milked in response to morning bugle at Kostroma, near Moscow, the Massachusetts Audubon Society says. They give about six quarts, and the milk is five times richer in protein and fat than cow's milk, life in a herd is the most difficult aspect of domestication for a moose.

The first labor official to be elected to Congress was Ely Moore, the president of the General Trade Union of New York and to the National Trades' Union, who served from 1835 to 1839, according to "Labor Firsts in America," published by the U. S. Department of Labor.

Ski—Hike Tour Of Woodlands

Ski touring in the Goldsmith Woodlands is being offered by the Andover Committee of the Appalachian Mountain Club this Sunday, March 5, at 1 p.m.

This tour is excellent for beginners and intermediate skiers, with wide pathways and gently rolling terrain. Experts will find the beauty of these woodlands enthralling. A.V.I.S. is in charge of the maintenance of the site and the Committee thanks them for their cooperation in this tour. There will be a special group for skiers who wish to do the trails in the woods. Waxing help will be available.

Skiers, snowshoers, and hikers are to meet at the intersection of Rte. 125 and Gould Road, 3 miles from the intersection of Rte. 125 and Rte. 28 North. Please park cars on the Rte. 28 side of Gould Road and walk across Rte. 28 to the staging area.

Tour leaders are Dick and Marta Horridge and David G. Cleary.

If the snow will not permit skiing, the group will hike this beautiful bit of land.

Mrs. Elowe In Recital At Phillips

On Sunday afternoon, at 3 p.m. in the Addison Gallery on the Phillips Academy campus, the Music Department will present Carol Elowe in a solo piano recital.

Mrs. Elowe teaches piano at Phillips Academy and at the North Shore Community College. She received her master of

music degree from Syracuse University and her bachelor of music degree from The New England Conservatory. In addition to numerous recitals, she has performed in concerts with the Syracuse Symphony Orchestra. She performed Beethoven's fourth piano concerto with

The Boston Pops Orchestra in the spring of 1977.

The program for her recital will include "Kreisleriana" by Robert Schumann as well as works by Chopin and Debussy.

There is no charge for admission, and the public is invited.

Underground Railroad On Agenda

On Sunday, March 5, the Andover historical Society will provide two more opportunities to view its new slide show, "Andover's Underground." Shows start at 2:15 p.m. and at 3 p.m. at the Society's headquarters in the Blanchard House, 97 Main St.

The old William Jenkins farmhouse, built in 1765, was one of the important hiding places for fugitive slaves on their way to Canada and freedom. Pictures of the area of concealment are included. This farm was also a meeting place for leaders of the Abolitionist Movement, including Harriet Beecher Stowe. A sawmill and a soapstone quarry were operated on the property, and the house was a stagecoach stop on the old Boston-Haverhill turnpike.

This pictorial history was prepared by George Glennie, Visual History Chairman of the Society. Arrangements for the presentation were made by the Education Committee. There is no admission charge, and the public is invited.

The Language of Flowers

by Gerry Trull

We all know a prominent member of the Bromeliad family — the pineapple — but there are over 2,000 relatives in all sizes, shapes and colors to meet. Bing one home and enjoy a plant with a spectacular flower that lasts for months. The foliage has unusual markings and the plant is handsome in or out of bloom. Bromeliads grow in the shape of a rosette, either up-right or spreading. The rosette forms a cup in the center of the plant where the bloom will develop. Water must be kept in the cup and will last about ten days. This is more important than water around the roots. The Bromeliad is a perfect houseplant and will give years of pleasure with minimum care.

You'll find many plants to give you pleasure at **TRULL'S MILL HILL FLOWER CENTER, 411 River Rd., 851-6161**; we feature an extensive array of hanging, floor and table varieties for your selection. We also offer a full selection of fresh, dried and silk flowers and feature a weekly 99¢ cash & carry special. Open: 9-5:30 Mon-Sat.

HELPFUL HINT

Sorority Plans Annual Charity Ball

Beta Mu Chapter of Beta Sigma Phi Sorority is finalizing plans for its annual Yellow Rose Charity Ball.

The dance, given for the benefit of the Merrimack Valley Chapter of the Massachusetts Cerebral Palsy Association, will be held at the Montvale Plaza, Stoneham, March 11. Local patrons have donated gifts and prizes. Each year more than \$1,000 is raised for the charitable organization.

The sorority also recently held a Ladies' Night Out at the Captain Chris Restaurant in Haverhill.

The next scheduled meeting will be on March 7 at the home of Mary Ann Repczynski, 28 Autumn Circle, Plaistow, N. H.

Shawsheen Club Meets Monday

The Shawsheen Village Womans Club will hold its March meeting at the Andover Country Club Monday evening at 8 p.m.

Guests will include presidents of the 10th district and past presidents of the SVWC. Helen Edwards will commentate fashions featuring Johnny Appleseed's Shop of Beverly.

Hostess Chairpersons for the evening are Mrs. A. Morris Campbell and Mrs. Harry E. Dickson.

Take Part In Castle Show

Mary Ann Baldyga of Andover will be one of the students entertaining between segments of the Castle Junior College's annual fashion show March 12 at 2 p.m.

Kathy Wentworth of North Andover will be an usher for the event, "Carousel of Fashions," which will feature five segments: dresses, coats, sportswear, after-five, and evening and bridal gowns.

Crafts Show At Newburyport

An indoor market featuring quality hand-made items will be held Saturday from 10 to 5 at the YMCA Civic Center, 96 State St., Newburyport.

Area craftspeople are invited to take part in the marketplace. A strolling juggler will provide entertainment throughout the day and a variety of foods, as well as all exhibits, will be for sale.

Admission is free.

ENOUGH!**

It's true you can lose weight by reducing your caloric intake below the amount your body expends. But firming and toning by regular exercising under the supervision of experts is needed to make you look and feel your best. To prevent the "yo-yo" loss and gain syndrome, you need to modify your behavior patterns and attitudes. Only Gloria Stevens offers all three, diet, exercise and behavior modification.

To Present Irish Music Program

"An Evening of Irish Music" with Father Francis V. Strahan, a lyric baritone and director of the celebrated St. John's Seminary Choir, accompanied by Father Rodney J. Copp at the piano, will be held in St. Augustine's Church, Andover, on Friday evening, March 10, at 8:30 p.m.

Father Strahan is a member of the faculty at St. John's Seminary, Brighton. In recent years, he has given many concerts at the Hammond Castle and throughout the Archdiocese and has recorded albums including "Irish Songs from a Medieval Castle."

Father Copp is Associate Pastor at St. Charles Borromeo Parish, Waltham, and is an accomplished pianist and organist.

This concert will mark the second appearance of this duo sponsored by St. Augustine's School Guild to support its many programs on behalf of St. Augustine's School, Andover. Further information may be obtained from the school office, 26 Central St., Andover. Tickets will be available at the door. There are special prices for students and senior citizens.

Drama Players At Turningpoint

The Covenant Players, an international repertory drama group headquartered in Reseda, Calif. will be presented at Turningpoint, 13 Esses St., Saturday at 8 p.m.

Using a variety of material, both humorous and serious, the Covenant

Ham, Bean Supper

A ham and bean supper will be served at Free Christian Church, 31 Elm St., Andover, Saturday from 5 to 7 p.m. The committee includes Ina Petrie, mural McAnern, tickets; Etta Chadwick, waitresses; Fred Fitzgerald and Robert McAnern. Tickets are available at the church office and at the door, the night of the supper.

Players use drama to challenge and stimulate people into a searching look at the complex society they live in, and the role they play in it.

From its initial start as a local church drama group, the Covenant Players has grown to 42 groups traveling throughout the world performing in a large variety of places from auditoriums, sanctuaries, shopping centers, hospital wards, coffee houses, to halftime at sporting events and dugouts in Thailand.

Tickets for the event may be purchased in advance at Turningpoint or at the door.

Course On St. Paul Is Offered

"Exploring the Epistles of St. Paul," a 12-week Scripture course, will be offered by Fr. Alexander Giunta, QFM, at the Christian Formation Center, River Road, Andover. Classes will be held on Wednesday mornings 9:30 to 11:30, and evenings 7:30 to 10, beginning March 8.

In this course, Fr. Alexander will deal with the life and thought of Saint Paul as revealed in his Epistles and through contemporary Scripture scholarship. Included will be Paul's background, the transformation he underwent following The Call, his place in the Church as an Apostle to the Gentiles, his missionary journeys and writings. Fr. Alexander will also present a brief introduction to the New Testament so that all interested persons may take this course regardless of whether or not they had taken any of his earlier courses.

Fr. Alexander, a leader of the Merrimack Valley Prayer Community, is a member of the staff of the Christian Formation Center. He has been teaching

Scripture courses for adults for over five years.

Babysitting will be available at a small fee for the morning classes. Those wishing

Drivers Asked To Soften Music

Registrar of Motor Vehicles Alan Mackey has requested all motorists to extend the utmost consideration to emergency vehicles on the way to or from an emergency.

"Often times the driver may have the radio volume turned up too high and he or she won't hear an ambulance of fire truck, or other emergency vehicle," said Mackey. That radio volume should be kept at a level that allows the driver to hear emergency vehicles, bicyclists and other motorists horns.

OBITUARIES

Warren J. Dyke, Aided Youth Football League

Warren J. Dyke, 57, 81 Salem St., Andover, a sales representative, died Sunday at Bon Secours Hospital after a short illness.

Born in Methuen, Sept. 22, 1920, he was a graduate of Methuen High School where he was active in sports.

Mr. Dyke was employed as Senior Sales Representative for the John Hancock Insurance Company, Boston office. He was one of the founders of Pee Wee Football in the town of Andover. A veteran of World War II, he served with the U. S. Marine Corps on Guadalcanal. He was a member of the First Congregational Church, Methuen.

Survivors include his wife, Eleanore A. (Hughes) Dyke; two sons, Bruce J. Dyke of Red Bank, N. J. and Barry J. Dyke of Andover; two sisters, Miss Hazel Dyke of Lawrence and Gladys, wife of George Murphy of Burlington Kan.; two brothers, Russell Dyke of Methuen and Douglas Dyke of Madison, N. Y.; and several nieces and nephews.

Funeral services were held Wednesday at 10:30 a.m. from the Lundgren Funeral Home, 18 Elm St. Burial was in West Parish Cemetery.

Memorial contributions may be made to the American Cancer Society, Inc. 226 Merrimack St., Lowell, Mass. 01852.

Claude P. Woodworth, Owned Car Dealership

Claude P. Woodworth, 83, 13678 100th Place North, Seminole, Fla., retired owner and operator of Woodworth Cadillac, Shawsheen Village, died Saturday at Suncoast Hospital, Largo.

Born in Suffield, Conn., March 3, 1894, he was a resident of Florida for the past eight years, having previously lived in Andover. He owned and operated Woodworth Cadillac in Andover since 1936, having entered the automobile business with the Appearance Jackrabbit and Whipped dealership.

Mr. Woodworth's son, the late Webster

I. Woodworth, ran the business until his death in 1973.

Mr. Woodworth's survivors include his wife, Marion (Hilz) Woodworth of Seminole, and a sister, Pearl Richards of Albuquerque, N. M.

Funeral services were held Wednesday at 2 p.m. from the Hubbell Funeral Home, 499 North Indian Rock Road, Belleair Bluffs. Burial was in Sylvan Abby Memorial Park, Clearwater, Fla.

Memorial contributions may be made to the Arthritis Foundation, 417 12th St. West Bradenton, Fla. 33505.

Anne R. Crawford, Was N. H. Mother Of Year

Mrs. Anne Rita (Sweeney) Crawford, 86, 18 East Main St., Tilton, N. H., daughter of the late John J. Sweeney of Andover, died Feb. 15 in Tilton.

Born in Lawrence, she was educated in Greater Lawrence schools, and resided in Andover before moving to Tilton. Mrs. Crawford was a graduate of Bryant and Stratton Secretarial School in Boston and had been employed by the N. E. Telephone office in Andover, and later by the custom office in Boston. She was named New Hampshire Mother Of The Year in 1952, and was first president of Friends of the Tilton Hall Memorial Library; member of American Mother's Comm., and the N. H. Visiting Nurse Association. She attended St. Mary's of the Assumption Church and was a member of St. Anne's Society of that parish.

The widow of Judge John W. Crawford, she is survived by three sons, Capt. John W. Crawford, U.S.N. (Ret.), of Rockville, Md., Charles H. Crawford of Tilton, and Gerard A. Crawford of Miami, Fla.; six daughters, Mrs. Margaret C. Arthur of Boston, Mary, wife of Stephen Sayewich of Tilton, Mrs. Jacquelyn A. Holland of

Denver, Colo., Mrs. Anne Tilton and Mrs. Rita J. Emanuel, both of Laconia and Mrs. Jane Lipman, of Rochester, N. Y.; 47 grandchildren, seven great-grandchildren and many nieces and nephews, including several from the Greater Lawrence area.

A funeral mass was offered Feb. 18 at 9 a.m. in St. Mary's of the Assumption Church. Burial will be in the spring in St. Mary's Cemetery, Lawrence.

Energy-short U.S. may have: small house with 12-inch attic insulation, a thermostat in each room, three-paned windows, coldwater laundry, formfitting bathtubs, computerized food warehouses with truck delivery, diesel-powered and electric cars, less travel and no power boat or auto racing, Massachusetts Audubon tells us.

Anne C. Dugan, Retired Teacher

Miss Anne C. Duggan, 55 Maple Ave., Andover, a retired school teacher, died Friday at Steven's Hall Convalescent Home, North Andover.

Born in Andover, she was a graduate of Andover schools and Lowell State College. She was a member of St. Augustine's parish and was a member of the Infant Saviour Guild.

She retired as a teacher at the former Amesbury street school in Lawrence.

She is survived by two sisters, Mary E. Dugan of Andover and Agnes V. Dugan, retired head of the Business Education Department of Andover High school, four nephews, Dr. Joseph C. Finneran of Indianapolis, Ind., John L., William A. and Robert E. Finneran of North Andover; six grand-nephews and four grand-nieces.

A Mass of the Resurrection was offered Monday at 11 a.m. in St. Augustine's church. Burial was in St. Augustine's cemetery.

TWIN DAUGHTERS HOGAN

Twin girls, Lisa and Laura, daughters of John and Ann (Ryder) Hogan, 94 Greenwood Road, Andover, died shortly after birth Friday at Lawrence General Hospital.

Survivors besides their parents, include two sisters, Susan and Katherine Hogan and a brother, Richard Hogan, all of Andover; her paternal grandmother, Doris Hogan of Southborough; her maternal grandparents, Eric Ryder of Nahant and Margaret Pierce of Pennsylvania.

Burial was held in Bridge Street Cemetery, West Newbury.

RITA COLLINGS

Mrs. Rita (Wecklein) Collings, 91, 31 Woburn St., Andover, a native of Germany, died Friday at Academy Nursing Home after a long illness.

Born in Aldorf, Germany Jan. 25, 1889, Mrs. Collings was a member of the Universalist-Unitarian Church in Melrose. She was a longtime resident of Melrose prior to moving to Andover.

The widow of Alfred Collings, she is survived by one son, Henry G. Neunzer of Ballardvale; three sisters, Mrs. Greta Scherzberg of Philadelphia, Mrs. Marie Scherzberg of Wisconsin, and Mrs. Frida Fischer of Germany; three grandchildren, nine great-grandchildren and one great

great-grandchild.

Funeral services were held Monday at 3 p.m. from the Lundgren Funeral Home, 18 Andover St. Cremation was at Harmony Grove Cemetery, Salem.

ANNIE L. CURLEY

Mrs. Annie L. (Hosmer) Curley 98, a long-time resident of North Andover, died Feb. 23 at Lawrence General hospital.

Born in Lawrence, Dec. 17, 1880, she attended Lawrence and North Andover schools and was a graduate of the Massachusetts School of Art in 1903. She taught art for a number of years in both the Methuen and North Andover school systems. Mrs. Curley was a member of the Trinitarian Congregational Church in North Andover, the Women's Union, the North Andover Historical Society and the Betsy Ross Chapter of the D.A.R.

The widow of Edward E. Curley, she is survived by five daughters, Clara Lois, wife of Robert G. Richards of Groveland, Dorcas, wife of Phillip A. Costello of Andover, Martha, wife of Leonard A. Hatch of Franklin Square, L.I., N.Y., Georgiana, wife of Peter Parker of White Plains, N. Y., and Ruth E., wife of Frank A. Thompson of Reno, Nev.; a son, Edward E. Curley Jr. of Marblehead; 10 grandchildren and five great-grandchildren.

A memorial service was held Saturday at 3 p.m. in the Davis room of the Trinitarian Congregational Church, North Andover.

Memorial contributions may be made to the Andover public library to establish a fund for the purchase of large print books in her memory.

MARION S. MCGILVRAY

Mrs. Marion S. (Connolly) McGilvray, 64, 63 Elm St. Andover, a life-long resident of Andover, died Friday at Lawrence General Hospital after a short illness.

Born in Andover, Sept. 14, 1913, she was educated in Andover schools. Mrs. McGilvray attended St. Augustine's Church, Andover.

Survivors include her husband, John D. McGilvray; a daughter, Miss Joan M. McGilvray of Andover; a son, John T. McGilvray of New York City; two sisters, Mrs. Florence C. Robertson and Eleanor D., wife of John Ronan, both of Andover; two brothers, George A., and Edmund P. Connolly, both of Andover; and several nieces and nephews.

A funeral mass was offered Monday at 9 a.m. in St. Augustine's Church. Burial was in Holy Sepulchre Cemetery, North Andover.

JACK ANDERSON WITH JOE SPEAR WEEKLY SPECIAL

Farm Strike and Future Weather May Cause World Grain Shortage

WASHINGTON — Many nations are dependent upon United States grain shipments and are growing nervous over the farm strike in this country.

Agriculture Secretary Bob Bergland has assured the countries that the wheat crop last year broke all records. But there are some disturbing signs on the horizon.

Winter wheat plantings in the United States are down 14 percent. The farmers can hardly be blamed for refusing to grow grain at a financial loss. But the world is dependent upon the United States for more than half its grain shipments.

At the same time, a CIA study warns that the climate may be worsening and farmers around the world may be finding the weather less favorable. Grain production in Argentina, Australia, Canada and the Soviet Union is already down.

The reduced plantings in the United States, a severe drought in Australia, adverse weather conditions in other countries, could deplete the world granaries rapidly.

President Carter, meanwhile, has refused to bail out the farmers with the \$7 billion program they think they need to make their farms pay. Carter sat down privately with Senate Agriculture chairman Her-

man Talmadge, but they were unable to agree on a solution.

The failure to solve the U.S. farm crisis could mean starvation for millions.

Crisis or Scandal: The great coffee crisis of 1977 may develop into the great coffee scandal of 1978.

Last year, coffee prices tripled and consumers howled in protest. The South American coffee producers raked in billions of dollars in higher profits. We reported last year that the startling coffee increase had the secret approval of the State Department.

Our sources explained that our foreign policymakers wanted to bolster the South American coffee-producing countries, particularly Brazil. It's almost impossible to squeeze more foreign aid out of Congress nowadays, so the policymakers preferred to help these countries by increasing their coffee returns rather than their U.S. aid.

We've now learned that a federal agency could have helped hold down the spiraling coffee prices, but took no meaningful action.

The Commodity Futures Trading Commission is supposed to police the commodities market and protect the consumer from price rigging. But we've seen evidence that the agency knew a few Latin

American traders may have been manipulating the coffee market. At one time during the coffee shortage, two traders held 72 percent of the coffee futures. This is fairly strong evidence that the traders were trying to corner the market. Yet the commission merely went through the motions of investigating the scandal.

Meanwhile, Rep. Frederick Richmond, D-N.Y., is trying to find out why.

Political Pressure: President Carter is trying desperately to settle the coal strike for political as well as economic reasons. He doesn't want to become known to organized labor as a Democratic president who invoked the Taft-Hartley law to force the miners back to work.

But the coal strike is threatening to cripple the economy, and there is no settlement in sight. Carter, therefore, may be forced to invoke the back-to-work clause.

But striking miners in the field tell us that half of them would defy the order and risk going to jail. The other half might return to the pits, but would walk out immediately after the 80-day cooling-off period.

'Goer' Won't Go: The Army spent millions of dollars developing an amphibious truck called the "Goer." The only problem was that the "Goer" wouldn't go. At least not

very far.

Four years ago, we reported that the "Goer" had flunked its tests. It was supposed to "swim" across rivers and lakes and was driven into the Chesapeake Bay for a trial run. With the Army brass proudly watching, the truck swamped and sank.

This was only one of its problems. Even on dry land, the truck lurched around so violently that it made the occupants seasick. One confidential report stated that the "drivers would bounce vertically and be thrown from side to side with such force, velocity and frequency that their feet could not be kept on the throttle and the brake."

There's much more. In alphabetical order, there were problems with the alternator, axles, brakes, frame, heaters, steering system and transmission. Even the noise level in the cab was determined to be a health hazard.

All that was four years ago. We've now seen the latest report on the "Goer" from Fort Hood, Tex. It still won't go. The Army can't even get spare parts for it.

But the stubborn Army generals simply won't give up on the "Goer" no matter how little it goes and how much it costs the taxpayers.

Fuess Awards To Be Made At Academy

Phillips Academy's Fuess Award for distinguished public service this year honors eight "unsung heroes" — alumni cited for unpublicized service in the public interest.

They include a Boston English High School teacher, a nurse, an Air Force colonel operating community service programs in Latin America, the director of a Quaker educational center, the founder of a legal clinic for children, fundraisers and founders of a sheltered workshop for the handicapped, and a coordinator of health services in New York City.

The Fuess Award commemorates the life and service of Claude Moore Fuess, Phillips Academy headmaster from 1933-48. The purpose of the award is to honor alumni for "distinguished contribution to public service" and to stimulate Academy students' interest in public affairs and in public service careers. The Fuess Award's bronze medal was first given in 1966-67 to 65 Phillips alumni who, by then, had served in the Peace Corps.

Since then, Fuess Award winners have been individual alumni. In this, the Academy's Bicentennial year, the award once again goes to a group — the following eight alumni to be honored Friday morning, March 3, for their public service accomplished outside the limelight and away from the public eye:

Robert Cory, PA '32, Director of the William Penn House, Washington, D.C., a Quaker educational center which helps "to advance communications between groups working for peace and justice and government officials."

Gordon Elliot, PA '42, a teacher at Boston English High School and an initiator and organizer or magnet school programs for inner city children.

Colonel Antonio Lopez, USAF, PA '53, Public Affairs Officer, U.S. Southern Command, Quarry Heights in the Canal Zone, Panama, where he is directly responsible for a community service program which has built schools and libraries, equipped hospitals, and provided cultural facilities for the Latin American people.

Lois Dunn Morse, AA '28, an educator and nurse who has taught practical nursing at several institutions.

William Nute, PA '33, Regional Health

Director for Manhattan under New York City's Board of Health Services, who helps coordinate health services among various community groups.

Ruth Stott Peters, AA '34, and her husband Lovett Peters, PA '32, co-founders and fundraisers for the Charles River Residence in Needham, a sheltered workshop for persons with both physical and mental handicaps.

Thomas Schiavoni, PA '67, co-founder of the North Shore Children's Law Project, a legal clinic defending juveniles in law cases, custody cases and mental competency hearings, where they can become lost in the judicial shuffle.

The Fuess Award itself is a bronze medal carrying Fuess' likeness, created by famed sculptor Paulanship, and these words from Fuess' book, "Indepen-

dent Schoolmaster:" "Give me a robust nonconformist who has the courage of his convictions."

Other recipients of the Fuess Award have been Harlan Cleveland, PA '34, former U.S. Ambassador to NATO; Congressman William S. Moorhead, PA '41, of Pennsylvania; William B. Macomber, PA '40, then Deputy Undersecretary of State, later Ambassador to Turkey; Gerhard Gesell, PA '28, U.S. Circuit Judge for the District of Columbia; W. Davis Taylor, PA '27, publisher of the "Boston Globe"; and, last year, Herbert Scoville, PA '33, consultant on arms control to the Carnegie Endowment for International Peace and Secretary of the Federation of American Scientists and of the Arms Control Association.

Gravel Pit Protested

A group of residents from the Fosters Pond area turned up Monday night to ask selectmen to reconsider last week's approval of a gravel removal permit off Andover Street in Wilmington.

Alice Pincus of Willow Circle said the residents weren't present at last week's meeting when the permit was approved, because they hadn't been notified. At an October meeting, when the matter first came up, she said they were promised by the town manager's office they would be kept informed.

Reading from a prepared statement, she said the approval was made on "misinformation" and "lack of information." She said the selectmen were allegedly led to believe that the Conservation Commission

and AVIS no longer oppose the permit, while in fact they never reversed their original opposition.

She said that the selectmen also acted with a "lack of information" when they were allegedly told there was no legal reason to refuse the permit. There is in fact, she said, a bylaw which limits gravel pits in the same area. She said there are already three pits in the close vicinity.

She further said there are three cases in the state where the courts have upheld license refusals because of the nuisance and noise disturbances.

Mrs. Pincus charged that the gravel pit would have adverse environmental impact on the town while providing no benefits.

The selectmen took the matter "under advisement."

Warrior Tourney Bid Monday

Andover High's basketball team, Merrimack Valley Conference champions with a 17-1 season record, has drawn a bye in the first round of the Eastern Mass. basketball tournament.

The Golden Warriors will begin their bid for the state title next Monday at North Andover High field house at 7 p.m. when they meet the winner of the Lowell-Reading game scheduled for Saturday.

Soccer To Be Accommodated

By Linda S. Corbett

It will take a little "accommodation" by both parties, Acting Town Manager Sheldon Cohen said this week, but it now appears that the soccer players and the little leaguers can be friends — or at least share the same playing fields.

Both groups have been vying for the town's limited facilities for spring play, and some two dozen coaches from the Andover Soccer Association took their case to the selectmen Monday night when it appeared they would have only three of the five fields they felt they needed.

Al Ober said the Association already

had 563 kids registered and ready to go April 1, that they had already ordered uniform and had to put a non-refundable \$1500 on the line by tomorrow in league fees.

Of the three fields he said they had the okay for, one wouldn't be ready until the season is nearly over. One of the two Sacred Heart fields, he said, is now a snow dump, and June 1 was DPW Director Bob McQuade's best estimate of when it would be playable.

Ober said they had expected three public school fields, but last Friday were

told that the varsity soccer and field hockey fields at the high school were to be reseeded in the spring and thus would be unavailable as well.

Recreation Community Schools Chairman Doug Mitchell agreed that the soccer people have been through a "tortuous ordeal," and said that when Ober left the last R/CS meeting, he had a degree of assurance that he would have the five fields.

The problem, Mitchel said, is that R/CS only schedules the town fields, but doesn't have control over them. Reseeding, he said, is "beyond our control," though he

added that he would try to convince the school department and DPW to resod in the summer rather than reseed in the spring.

The fields, he added, have historically been used for organized baseball in the spring and football in the fall. "Now," he said, "we have to allocate already scarce resources for competing activities."

After several staff meetings Tuesday, Cohen said they had managed to come up with a sufficient number of practice and game fields for the two sports. It would just require, he said, "a little accommodation" by both groups.

Only One Election Contest

There will be only one contest on the March 27 town election ballot, that for the three year term on the board of selectmen.

Terrence Prout, 13 William St., who had filed nomination papers for the one-year term for selectmen, had to be removed from the ballot since he filed insufficient number of signatures on his nomination papers. The action results in Mrs. Virginia H. Cole, 268 Highland Road, being the only candidate.

Town Clerk Elden R. Salter said that Prout had filed only 111 signatures on his papers. The registrars in examining the papers could only certify 91, with 97 needed to place the name on the ballot. Salter said that every effort was made to determine if there were a significant amount of signatures in order to allow Prout to become a candidate, but it was impossible.

This leaves only the three-year term contested between James Abramson, 27 Kathleen Drive; Karl Haartz, 60 High Plain Road; Mrs. Janet D. Lake, 22 Greenwood Road and Philip J. Salamone, 9 Carisbrooke St., to command the attention of the voters this year.

New Manager Will Ease Into Andover Duties

Jared S. A. Clark, Andover's 34-year-old new town manager, gives the appearance that he will be easing into his new administrative duties here rather than charging into town on a white horse, bent on change when he arrives in April.

Formally appointed to the post for a five-year term Monday night by the selectmen, Clark is leaving Dover, N. H., where he brought professionalism to the city manager's office, a characteristic not particularly appealing to some city councillors who lean more toward a politically responsive administration.

Clark told the TOWNSMAN this week that he believes in "bread and butter management" and will devote his initial time in office to becoming familiar with the town, its attitudes and the community's desires. "Getting to know Andover, is the first priority."

"The manager is an agent of change. In time, we may see things which we would like to change, which hopefully will be important to Andover. But, change is

something I won't do TO a community, but WITH a community," Clark emphasized.

"I'll be working with the staff and key personnel in the town departments to define what it is we want to accomplish. What is important and appropriate in one community may not be the same in another, and this must be determined."

As for the Andover's current administrators, Clark feels he can work well with them. "I don't anticipate that my administrative energies will be substantially preoccupied with the capabilities of the existing staff. I'll be able to work with the staff in a constructive way."

"It is enjoyable and exciting coming to Andover. It has been well managed by past town managers, selectmen and town meeting, all of whom have acted responsibly over the years, based on what I have seen and heard about the community."

As for Andover's future, Clark sees as a priority a determination of "what the town wants to become or remain."

"Most people may be happy with An-

Change Is Not Something I Do To A Community, But With A Community

By Robert E. Finneran
Editor

dover the way it is. They are concerned, however about pressure and growth acting adversely. It is desirable to keep Andover a pleasant place to live and work.

"We can not stop growth and change — they are facts of life. How do we manage that change is the challenge."

"I alone don't have the power of defining the manner in which change will occur, but I have a major responsibility to work with the planning board, zoning board and town meeting to determine what ordinances may be appropriate to guide the change and growth which is going to occur."

The new administrator noted many factors which have to be considered, such as the ratio of multiple family units to single family homes in a community, the presence of subcommunities within the community and their identities (in Andover's case, Shawsheen and Ballardvale would be an example of this reference).

"People understanding one another and their concerns is the key to getting along with change," Clark said as he noted that "understanding and determining areas of consensus within the town is a solution to problems and getting things accomplished."

"My job is not to change Andover, but to bring my skills and abilities to the town, work with selectmen, staff boards and committees, and articulate concerns to town meeting through which all action of the community takes place."

Profile

'I Really Love The Work'

Andover's new town manager "really loves the work."

Jared S. A. Clark describes the profession as "providing a lot of variety. It is very demanding, but you meet a lot of interesting people and become part of different lifestyles," he says, indicating his experience in the field which has ranged from the highly populated areas of New Jersey to the rural life of Maine.

While his plan is to ease into the manager's chair in Andover, he does have a reputation of getting things accomplished quickly, as indicated by his marriage to the former Marjorie Thomas.

"I proposed on the first date, and we've been happy ever since," Clark says of his marriage to the daughter of the principal of the school where he was teaching in 1968 outside Poughkeepsie, N. Y. Mrs. Clark was also a teacher.

They have two children, Adam, six, whose introduction to the editor of the TOWNSMAN brought "the first real, live person from Andover," as a response, and Holly, a four-year-old, who attends a nursery school in Dover. Adam is looking forward to coming to Andover where he'll be "in a big school." There is no public kindergarten in Dover and he has to attend a private one.

The Clarks are hopeful of moving to Andover in time for the youngsters to get in

Clark's background indicates strengths in implementation of data processing or installation of computer equipment in handling municipal accounting procedures.

Andover has for the past several years been considering a new date processing system for the town and this past year had a special study committee working with Acting Town Manager Sheldon S. Cohen on the development of specifications for installation of such a service for the town.

Clark, since announcement of his intended appointment a week ago, has been studying the work of that committee and its present status, which is nearing the point where bids will be sought.

Clark indicated that he would continue to study the work of the committee and follow its progress as the time approaches for obtaining the equipment.

"Any such system should be flexible enough so that it is an effective management tool," the new town manager stated, adding that he was comfortable with the guidance being given the committee by the town's present acting manager.

As for the Andover's current residential growth problem brought on by a lack of sewer lines in areas being developed, Clark said that solutions to such problems revert to understanding what the community desires.

"Additional sewer lines would produce more growth," Clark said, indicating that

some of the public school life before the end of this semester.

Clark grew up in the Cleveland, Ohio area where his father was an attorney, an assistant country prosecutor, and referee in the Court of Domestic Relations, and retired from the legal staff of the Mayor Stokes administration.

His mother was a medical doctor with a practice in the Cleveland area. Both are in the process of retiring to the Washington, D.C. area.

He has one brother, who is assistant headmaster and headmaster-designate of Pickering College, Newmarket, Ontario.

A graduate of Wilmington (Ohio) College, Clark began his career as a teacher. With strong minors in economics, business and sociology, he found public management a way of combining interests and after graduation from Fells Institute, Wharton School of Finance and Commerce, entered the field of municipal administration, serving in Gloucester, Mass., Lincoln Park, N. J., and Cumberland, Maine before his election as city manager in Dover, N. H. two years ago.

"My family likes my profession and while they may object a little to the long hours required, they understand. My wife knows where I am and that I'm out of trouble."

R.E.F.

he didn't think Andover wanted to move in that direction. "But to answer the question adequately, one must understand the response to the first question concerning my plans for Andover — Getting to know the community and becoming familiar with its attitudes and specifics about its future."

Clark's two-year tenure in Dover could hardly be termed a love affair between he and the council, due mainly to the manager system being in controversy since its inception.

The council-manager form was inaugurated 18 years ago and has been a referendum item on the ballot often since that time, due to some appeal being expressed for a strong mayor type of municipal management.

The nine-member city council is elected every other year in Dover, with at least three of the present board members strongly in support of strong mayor type of government.

"I have been under criticism here because I placed the office of city manager on a professional basis, and there was some sentiment in the community for a more politically responsive administration."

"I have come under attack for hiring key personnel in the community from outside. I have done so because I wanted the best people for the job."

"Among the appointments are selection of a new fire chief who came from Alexandria, Va., in response to a national search, and also appointment of an economic director from Tonawanda, N.Y."

The economic director is Roland Sherman, an Andover native, whose father, the late Atty. Roland Sherman, served as town moderator here for several years.

In the area of municipal employees, Clark initiated what he terms his own "civil service system," in Dover.

"I defined what our civil service regulations would be. The city never had a pay plan for its employees. I initiated such a system based on an annual evaluation of performance of duties for all 200 employees from the manager on down, with the objective being to examine job skills, supervisory abilities and physical fitness to do the job."

"I have a general concern for the productivity of municipal services as it applies to employee groups who look to the taxpayers for their salary and retirement plans and to the manager who is responsible for overseeing these activities. I believe it to be in our best self-interests to hold ourselves accountable to those who pay for an expected delivery of municipal services."

Clark will have a five-year contract with the town, which is in conformance with the town manager charter. Since agreement on Clark's appointment was reached a week ago Monday by selectmen, he and the board have met to iron out details of the contract.

The contract is structured in such a way that on an annual basis the manager and the board can get together and talk about "how we are doing, if the goals and objectives are being met — an 'I'm ok, you're ok' type of thing."

He will be looking to the selectmen for guidance as to their expectations of his work here in Andover. Agreed upon in the contract are stipulations for his leaving prior to the end of the term, either through actions of the board or on his own.

His salary here will be \$30,000, plus \$100 automobile allowance and provisions for attending professional conferences. In Dover his present salary was \$23,760.

We Thought You'd Like To Know

The TOWNSMAN last Thursday broke the news of the impending formal appointment of Jared S. A. Clark as the new town manager, leading, of course, to the publication and broadcast of the story throughout the area.

Selectmen, who met the previous Monday informally, had agreed to the selection of Clark as the new administrator, but had decided to make the formal announcement and vote this Monday.

True, there were some details to work out between selectmen and the candidate before final agreement would be reached on a five year contract to be awarded the new manager. But, for all intents and purposes, Clark was to be the new manager.

A Townsman representative at the Water Treatment plant the night of the Monday meeting was informed by selectmen that the announcement would be made the following Monday, at which time all information pertaining to the candidate would be released.

We recognize that we have only one opportunity a week to inform our readers of such things as important as the appointment of a new town manager, thus we pursued the matter through other sources until arriving at the appointee's current employment.

There were some principles involved.

First, the Townsman had not covered the interview process conducted by selectmen, even though legislation permits media coverage of the interview process

for municipal administrators, including school department positions.

The screening process was allowed to proceed without local press representation, feeling that when the decision was ultimately made, it would be announced without hesitation.

It is our sincere feeling that the name of the manager could not be kept secret for a week, either here in Andover, or even without possibly some word leaking out in the community in which the manager-elect was serving.

Therefore, we sought confirmation of the appointment through a conversation with editors at Foster's Daily Democrat, the newspaper serving Dover, N. H. The newspaper, after confirming the news, credited the Townsman with providing the information.

We thought our readers would like to know how the story developed.

It is not an ego trip on our part — simply a matter of showing a recognition of our responsibility to the community we serve. And, also to show that it is difficult to keep secret, or under wraps, information to which the public is entitled.

Selectmen here did confirm their selection by mid-day Wednesday, but by that time the information was already in print in the Townsman.

While on the subject of —

The Appointment

— we'd like to extend our congratulations to Jared S. A. Clark on his appointment here.

According to people in Dover, N. H., where he is currently serving, Clark is well-regarded and has handled his duties in a professional manner in a highly-

political climate.

Included in his experience are abilities to meet some of Andover's needs as it meets the problems of continuing growth, and we look forward to his work here beginning in April.

Down The Years With The Townsman

75 Years Ago — March, 1903

Dr. H. L. Clarke of Andover is the originator and treasurer of a company recently organized and to be known as the Floating Sanitorium company. It will operate in the summer in the Buzzard's Bay area and will accomodate several convalescents.

William Knipe is to begin as a plumber at offices and shop at 14 Park street in the very near future. Mr. Knipe took his examination before the local chairman of the board of health, building inspector and master plumber and is now ready to talk with anyone with problems and quote figures.

Andover's State Representative Cole is a member of the legislative committee which is spending two days this week in Holyoke investigating the gas and electric interests of that city.

Dr. Cooke, chiroprapist, from Haverhill, has announced he will be in Andover the third week in March and will accept appointments in advance.

The grocery stores in town will close next Monday at noon and remain shut until 5 p.m. in order to allow for the business of

town meeting to be transacted in orderly and uninterrupted fashion.

50 Years Ago — March, 1928

At the next meeting of the League of Women Voters, to be held at Phelps house, Miss Greta Coleman, a graduate of Radcliffe and University of Chicago Law School, will discuss, "The Legal Rights of Women."

There should be a good turnout of voters at the town election next week with contests for selectmen, school committee, tree warden, board of public works and auditor, drawing a large field of candidates.

The special committee on salaries for the town has recommended that the current wages paid selectmen should remain the same. The provision is for \$900 for chairman and \$800 for members.

Miss Dorothy C. Trott, of Central street, has been elected vice president of the junior class at the College of Liberal Arts, Boston University. She has had the honor of being art editor of the Hub, the junior class yearbook.

The 62nd annual Draper Prize Speaking contest was held last Friday night in

George Washington Hall, Phillips Academy with G. S. Hayes, son of Mr. and Mrs. Bartlet Hayes of Whittier street winning first prize of \$30.

10 Years Ago — March, 1968

J. Everett Collins was re-elected selectmen, Sidney P. White to the board of public works and George R. Abbott, tree warden in the annual town election on Monday.

Kenneth L. Sherman, has resigned his position as superintendent of schools to go into private employment with the Milton Bradley Co., of Springfield.

Horace Martin Poynter, 74, for 43 years a teacher of classics at Phillips Academy, died this week in Durham, N. H.

A special study committee will recommend to town meeting next Monday night the merging of the tree department in with the board of public works.

Miss Ann Birdsall has tendered her resignation to Town Clerk George H. Winslow to be effective March 27. Mrs. Annetta M. Wrigley, a graduate of Pynchard High School, has been appointed to fill the position.

The Public Forum

Compliments

To the Editor of the TOWNSMAN:

Through the medium of the Public Forum, I would like to express my thanks to and compliment George Kwiecien of the Recreation Community Schools for the great job he did with this year's Floor Hockey Tournament. Assisting him in this endeavour were Bob and Ruth Shapiro, Bruce Taylor and Karl Klempa, all of whom volunteered their time and worked hard to see that the tournament was run fairly and smoothly. The tournament provided some great exercise and lots of fun for many 4th, 5th and 6th graders dur-

ing the school vacation and I think the people mentioned did a superlative job. Thanks!

Incidentally, I coached a great bunch of fifth graders, who were successful in reaching the semi-finals. I thoroughly enjoyed the experience and heartily recommend it to other mothers. Whilst my guys did not win, they certainly played their best game, got plenty of exercise and I hope thoroughly enjoyed themselves. That was what it was all about and we'll come back again next year and have some more fun.

The defending champion South School defeated the St. Augustine Woofies 6-5 in the final round of the 1978 Recreation Community Schools Floor Hockey Tournament held at the West Junior High School this past Saturday.

In earlier rounds held during Monday and Tuesday of the abbreviated school vacation week, the Woofies trounced the Canadiens 16-3 with John Sheedy scoring six goals for the victors; the Bancroft Bruins beat Wests Bests 10-0 as John Crawford scored all ten goals for the Bancroft squad; the Sanborn Superstars upset the favored Canadiens II 6-5 and the fourth grade squad was led by outstanding performances from David Bartle and Mosa

The South School, with an ever-swarming offensive attack, proved to be too powerful for the Superstars as Zack Apgar, Steve Eldred, and Larry Cuddy once again posted a shutout by defeating the Sanborn squad 14-0.

On Saturday, the two teams that had met in last year's final, met once again in what proved to be the best played match of the tournament. The South School jumped off to an early lead on two goals by Billy Baldwin but found itself all tied up 2-2 with just three minutes to go in the first half as

BWL Skiers Qualify For Championship Races

The Merrimack Valley Buddy Werner League sent hopeful racers to Bradford to compete against 150 leading scorers in the

Eastern Mass League for a team of 30 racers to compete in the New England BWL Championship at Pats Peak in early March.

The following racers represented Merrimack Valley BWL: Brian Comeau, Robbie Retelle, Robert Brown, David Catania, Mike Gerardi, Kathy Quintaliani, Susan Quintaliani, Nicole Catania, Donna Comeau, Katie Walsh, Debbie Brooks, and Laureen

Kinsella.

At the end of the day, six racers had secured a berth on the team, based on their outstanding performances. The two blue ribbon winners were Katie Walsh in the 8-9 year-old group and David Catania in the 12-13 group.

Other winners in the 8-9 group were Kathy Quintaliani, 3rd and Donna Comeau, 5th. Debbie Brooks came in 4th in the 12-13 girls group and Robbie Retelle, 4th in the boys

12-13 group.

All racers will also be participating in the

Eastern Mass Championship at Waltham on March 4.

Bantam O'Reilly On Scoring Spree

The Bantam "B" hockey team is three-quarters of the way through their hockey schedule for the 1977-78 season.

Chris O'Reilly has been on a scoring spree during the last four games. In each of these games he has scored a "hat trick" to take over the scoring lead with 13 goals and five assists. He has had plenty of help from his linemates Barry Buss and Bill Depper, who have point totals of 14 and 13 respectively.

The line of Gary Milne 16 points, Jon Bainbridge 13 points and Eddie O'Connor 9 points is gaining quickly in the scoring column. Glenn Joiner 4 points, John Maginnis 4 points and Jim DePiano 5 points have proved to be a solid "checking line". The defensive pairings have been altered with the promotion of Bill Thayer to the Injury ridden Bantam "A" team. However, Greg Taylor 3 points and Craig Silva 3 points along with Stefan Wennik 1 point and Mike Lucey 3 points and forward-defensman Frank DePiano 6 points have combined to provide a strong defense.

The real strength of this team comes from the great performance of its two super goalies Wayne Elowe and Doug Thompson, each with identical records of 4 wins, 2 losses and 1 tie. Wayne leads in goals against average with percentage of 2.60 to 3.83. Doug is coming on strong with shut-outs in his last two starts.

The team is coached by Charlie Donovan and Lou LoPresti.

Bantams Show Improvement

By Rick Harrison

The Andover Bantam A traveling hockey team has improved considerably in recent weeks, performing well just prior to its annual trip to Canada and also during the recently-concluded tour.

The locals tied North Andover 3-3 and dropped a tough 2-1 decision to strong Worcester before their departure.

In Canada, Coach Dick Neal's crew played five games, tying three and losing the other two against tough opposition.

The results left Andover at 2-3-4 over its last nine games, and 5-12-4 overall.

The record does not include a hard-fought 5-5 tie in a wheelchair game against the patients at the Bloorview Hospital for crippled children, an annual stop on the Canadian trip.

Canada

"We were very pleased with what the team accomplished in Canada," observed Neal. "The kids gave everything they had and got good results. Even though there were no victories, this group has every right to be as proud as any team we've ever had. They just did a super job!"

Andover, which has allowed only 21 goals over the last nine games for a 2.33 average yield, began the rugged Canadian stretch of five games in six days with a 1-1 tie against the North Toronto Bantam "Selects" at North Toronto Memorial Arena.

North Toronto drew first blood at 3:09 of the second period, Ritchie converting a pass from Walsh, and the host team protected the slim 1-0 advantage while skating off three Andover powerplays late in the session.

The locals finally tied it at 12:07 of the third stanza, when Dave Deloury plunched in Craig Hyslip's rebound for his eighth seasonal goal.

Dave Leitch was outstanding in goal for Andover.

"They were a big rather physical team, but we turned in a good all-around effort," related Neal.

Andover-Forest Hill, 2-2

The following night Andover battled the Toronto Forest Hill Bantam "Selects" to a 2-2 standoff at the Forest Hill Arena.

This time Andover got on the board first when center Ed Sullivan registered his second goal at 13:41 of the opening period, with assists to John Fuchs and Deloury.

Forest hill pulled even at 5:16 of the second 20-minute session, as Goldberg took a pass from Siegal and beat Dave Leitch,

and Siegal put the host club in front 2-1 with a goal midway through the final period.

Defenseman Rick Apgar salvaged the deadlock with 1:41 to play in the game, pocketing his fourth goal with Scott Heseltine and Hyslip assisting.

"It was a picture play," recalled Neal. "Hyslip carried the puck out of our zone and passed to Heseltine on the opposite wing at center ice. Scott flipped a pass to Apgar entering the Toronto zone, and he drilled a high-rising 30-foot shot into the net."

Nine seconds later Andover went on the powerplay, but the locals were unable to take advantage for the winning goal.

"They were another big team, but not quite as physical as the first club," noted Neal.

Once again Dave Leitch was in goal and played a strong game.

Pellegrino Returns

J. J. Pellegrino, who had an excellent week, had a slight appendix attack Tuesday night," commented Neal. "His father was in Toronto with us and the two of them flew home that night. J. J. was in a Boston hospital on Wednesday, ready for an operation, when the surgeon decided to postpone it and told him he could play."

"He returned to Toronto Wednesday evening, played all three remaining games in Oshawa, scored two goals and did an excellent job," declared the coach.

Wednesday night the team viewed the Toronto Maple Leafs-Cleveland Barons National Hockey League game at Maple Leaf Gardens.

Oshawa, 6-1

The Andover crew bused from Toronto to Oshawa, Ontario and played its third game last Thursday, bowing to the Oshawa Canadian Corps Major Bantams

6-1 at Oshawa Children's Arena.

"This was our poorest game," admitted Neal, "the only one not up to our standard of play."

The contest marked the return to action of Tom Fabiani, who had missed the 12 previous games with an injury, but it also brought about the loss of Scott Heseltine who suffered a shoulder injury during the first period.

Oshawa received a first period powerplay goal from Mike Lack at 6:00, assist to Tom Stapnes, and went ahead 2-0 at 6:15 of the middle session when Jeff

Melnick scored from Tom Neal.

J. J. Pellegrino cut the deficit to 2-1 at 4:40 of the third period with his seventh seasonal red-lighter, assisted by Thayer.

However, the Canadian Corps Bantams proceeded to put the game out of reach with four rapid-fire goals just 2:06 apart.

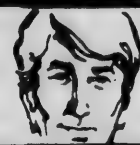

Melnick delivered his second at 7:01, Mike Mati followed at 8:14, Melnick completed a "hat trick" five seconds later (8:19), and Derrick Sharkey capped the offense from Stu Tymchuck at 9:07.

Ski Tour Set For Saturday

The Andover Bill Koch League will complete its first season with a ski tour and picnic lunch on Saturday, March 4. Parents, brothers, sisters and friends are invited. Starting time will be 10. Please call Moore & Mountain or the Frenches for details.

The first season proved to be a mix of low-key racing, practice, and ski touring — as had been hoped initially. Andover racers competed in four district races, finishing well. In each case it was possible to offer a local ski touring option.

Oshawa, 4-2

The Oshawa Minor Canadiens nipped Andover 4-2 last Friday night at Donovan Arena, but the locals were victimized by some bad luck in this one.

"We had many scoring chances," stated Neal, "but we received no breaks and couldn't finish off on quite a few of our chances."

"Pete Dunn was ill and didn't play in this game, while Ed Sullivan did play although he wasn't feeling 100%," added the coach.

Brian Keenan gave Oshawa a 1-0 edge at 1:57, lighting the lamp with assists to Steve Brown and Jeff Norris.

Andover took advantage of a double minor to the home club, tying it on Sullivan's powerplay marker from Deloury and Bob Leber at 14:16 of the initial period.

The Canadiens went back in front 2-1 at 7:09 of the second frame, Chris Potier being credited with the tally when an Andover player inadvertently swept the puck into his own net trying to clear it out of the zone.

Keenan added his second goal at 14:59, one second before the end of the period, to send Oshawa to the locker room with a 3-1 lead after two stanzas.

John Fuchs' seventh goal at 2:55 of the final period brought Andover back within a goal, 3-2, assists to Agar and Dave Deloury, but the winners' Darryl Workman countered 48 seconds later (3:43) to complete the attack.

Dave Leitch played the first two periods in the Andover net and Kris Williams worked the third.

Andover-Oshawa, 1-1

The final game of the trip last Saturday saw Andover and the Oshawa Canadian Corps Major Bantams struggle to a 1-1 tie at the Civic Auditorium. A marked improvement for Andover from the 6-1 loss earlier to the same team.

"Dave Leitch played a super game to goal to back a good team performance," lauded Neal.

The scoreless first period was highlighted by the Andover defense, which killed a lengthy two-man (50n-3) disadvantage after quick back-to-back minor penalties were whistled against J. J. Pellegrino and Tim Derby.

Tom Neal put the host team ahead 1-0 at 3:49 of the middle stanza, assisted by Sandy Reid, but that was the only concession made by Leitch.

Pellegrino tied the game 1-1 at 2:34 of the finale, taking a pass from Tom Fabiani and rifling the disc home from close range.

Andover had a pair of late powerplay opportunities, but was unable to score the game-winner.

Praise From Neal

Neal singled out a number of the Andover players for special commendation during the trip.

"Scott Heseltine and Rob Leber did outstanding jobs filling in at defense, Scott in the first game and Rob in all of them."

"We had only three defensemen on the trip because Tom Hetley was at private school, while Jon Pelletier was ill and remained in Andover," explained Neal.

"Dave Leitch had a great week in goal, especially in the 1-1 final against Oshawa. He displayed excellent leadership as our captain."

"Rick Apgar and Ed Sullivan did yeoman service at center, including double duty in one game when Pete Dunn was sick," pointed out Neal.

"Scott Heseltine exhibited a tremendous attitude both before and after his shoulder injury. He worked hard to learn the defensive assignments and gave his all."

"Craig Hyslip also gave us full effort and great leadership all week," concluded Neal.

No. Andover-Andover, 3-3

Prior to the trip Andover rallied to tie North Andover 3-3 at Brooks School.

North Andover bolted to a 2-0 lead in the opening six minutes of play, the second goal on an uncontested breakaway.

Scott Heseltine retaliated for Andover at 10:17 of the initial period, depositing his first goal of the season from Tom Hetley on the powerplay.

Hetley's slapshot from the point deflected to Heseltine at the corner of the net, and he lifted the disc to the upper corner.

Thayer tied the score 2-2 with an unassisted powerplay goal at 0:12 of the second period, as his wrist shot from the left point ricocheted in off a NA defenseman.

North Andover regained the edge at 7:49 on a partial breakaway, as the marksman pulled Leitch out and dumped the puck behind him.

Heseltine's second goal of the game and the season tied it a final time at 6:32 of the third period. It was a good passing play from Hetley at the point — to J. J. Pellegrino in the corner — to Heseltine at the doorstep of the cage for the score.

Worcester, 2-1

Andover jumped ahead of Worcester 1-0 on John Fuchs' sixth goal, unassisted, at 8:59 of the first period.

"He turned around in the slot and fired a 'seeing-eye' 15-foot slider that slipped through the goalie's pads," said Neal.

That was it for Andover, however, and the host Worcester club scored twice four minutes apart in the second stanza to win the game.

"We were a little flat after the first period," admitted Neal.

Dave Leitch worked the first half of the game in the net and Kris Williams the final half. Both allowed one goal.

Schedule

Andover returned to action last Tuesday night, after TOWNSMAN presstime,

against Lawrence at Phillips Academy.

This weekend the Oshawa Canadian Corps Major Bantams will be in Andover for three games, residing in the homes of the Andover players during their stay.

The first game against Oshawa will be tomorrow evening at 5 p.m. at Merrimack College.

Game two is slated for Saturday morning at 9:45 a.m. at Merrimack.

St. Augustine's Climbs In Standings

By Rick Harrison

St. Augustine A pulled within a game of idle St. Robert's B in the race for the Andover Church Basketball League Senior Division championship, slamming Ballardvale United 36-22 in action at the West Junior High gym.

The victory boosted St. Augustine A's overall ledger to 5-1, while St. Robert's B remains at 6-0.

In other recent action, St. Robert's A returned to the sunny side of the .500 mark (4-3) with a 46-22 conquest of St. Augustine B, and Christ Church registered a 2-0 forfeit triumph over South-Baptist which could only floor four players.

St. Augustine A, 36-22

St. Augustine A outscored BU by small margins in each quarter to build its victory, leading 8-4, 18-10 and 23-14 at the first three breaks.

Brian McGettrick led the typically well-balanced A-team attack with 10 points, while Ed Powers netted 9 points in the second half and eight of them during the final period.

Dave Fluett chipped in 6 points, Ted Kelley 5, Dennis Sheehan 4 and Richie Sambuco delivered a third quarter bucket.

Mike and Pat Deaudine also played well for the winners.

United, missing four players including high-scoring Bryan Liang, fell back to a third place tie at 4-3 with the loss.

Kevin Hollenbeck and Bill Crabtree shared high point honors for Ballardvale

with 9 apiece, while Kurt Jensen notched a first quarter basket and Russ Bird swished two late free throws.

Jay McLeod was held off the scoreboard for BU, a rarity, while Lee Hollenbeck and Dave Brown turned in good efforts for United.

The victory also avenged St. Augustine A's only loss of the season, as BU captured their first meeting 38-29 when Bryan Liang's six points led a 17-8 fourth quarter burst for the come-from-behind victory.

St. Robert's A, 46-22

St. Robert's A, which slipped past St. Augustine B by only five points (30-25) in their first encounter, had no such problems this time.

The victors raced to an 11-2 first period lead, and blew the game wide open following a 21-6 run in the fourth quarter.

Gregg Praetz paced nine St. Robert's A players into the scoring column with 15 points, including eight in the last period, while Tom Palma added 10 including six over the final stanza.

A. J. McGovern tossed in 7 points, Mike Leary 5 in the second half, and solo baskets were contributed by Bruce Crochetiere, Pete Albert, Brad Kutcher and Barry Lemieux.

Ken Saliba chipped in a second period free throw.

Steve Parker flipped through 9 points for St. Augustine B, Mark Paradis added 5, Steve Farrington 4, Ted Sirois 2 and Tim Madden 2.

Tom Galvin, John Parker and Bob Laterie also played well for St. Augustine, which played without high-scoring Greg Shepard.

Christ Church, 2-0

Christ Church hiked its record to 4-3 the easy way.

However, the players in attendance did break up into two groups and hold an unofficial scrimmage game.

Some top performers were Mark Frost and Mark Rogers of C-C, who pumped through 15 and 12 points respectively, while Steve Rathbun, Tom Steadman and Art Dunleavy notched 10, 9 and 8 respectively for S-B.

The game ended up 39-37.

Schedule

Last night, after TOWNSMAN presstime, the Senior schedule called for

St. Augustine A vs. St. Augustine B, St. Robert's A vs. Ballardvale, and St. Robert's B vs. South-Baptist.

The agenda for Wednesday, March 15 will be Ballardvale vs. St. Augustine B at 6:15 p.m., St. Robert's A vs. Christ Church at 7:15 p.m., and a potential showdown between St. Roberts B and St. Augustine A at 8:15 p.m.

WHY YOU SHOULD BUY A PERFORMANCE CAR FROM A COMPANY FAMOUS FOR SAFETY AND DURABILITY.

If you ever dreamed of owning a car that really goes, you should wake up to two considerations: will it keep you out of trouble, and how long can it keep on going?

Introducing the 1978 Volvo 242GT. It not only gives you the performance you're expecting but it's built to deliver the safety and durability Volvo is legendary for.

You also get something totally unexpected in a Volvo: terrific looks. A silver metallic finish matched with black corduroy.

The engine is a fuel injected, overhead cam, cross-flow four. The four-speed manual transmission comes with overdrive.

For precise handling, the GT's special suspension system includes McPherson struts, stabilizer bars front and rear plus heavy-duty springs and shocks. Rack and pinion steering and steel-belted Pirelli

CN36 radials are standard.

The 242GT is also built to keep you out of trouble. You get dual brake circuits with four power-assisted discs; a special valve on each rear brake line designed to prevent pre-

mature lock-up; and impact-absorbing front and rear ends

surrounding a steel passenger cage to keep you out of really big trouble.

has helped give Volvos an average life expectancy in Sweden of 16 years. (Figure from the Swedish Motor Vehicle Inspection Company.)

As for the paint job, rust proofing and undercoating, they're improvements on what

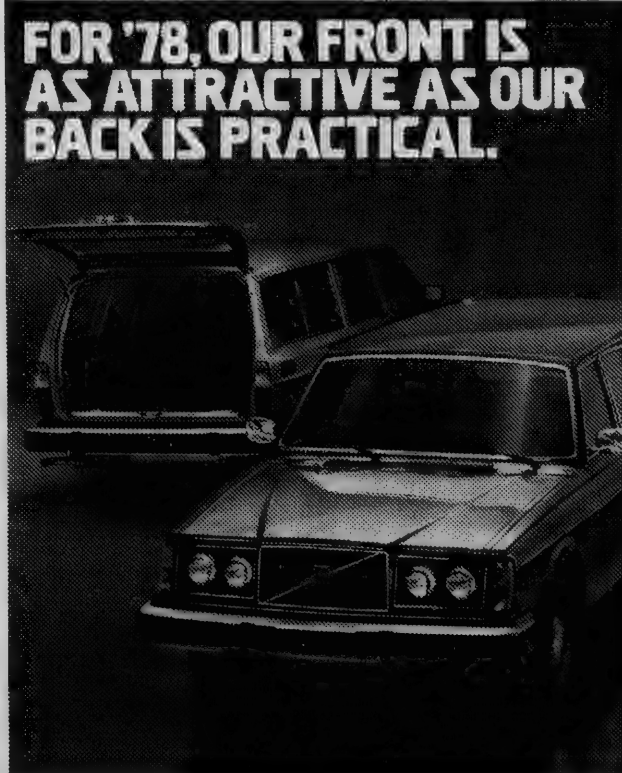

Come in soon, examine the new Volvo 242GT and take it out for a real test. It's a limited production model but we're not about to hold it back on the showroom floor. That's the last place it belongs.

The current registration is open for any child whose home is in Andover, who is at least 9 years old but not yet 13 years old on Aug. 1, 1978. Registration for 13 to 15 year olds will open on a later date that will be announced.

In 1977, 668 children between the ages of 9 and 15 were registered in the Little League program. A waiting list exists for 13-15 year olds who cannot play because of lack of playing field space.

The lack of developed playing space has also limited expansion. This year the Little League has been asked to consider expanding to provide a Little League softball program for girls. This program has been very successful in neighboring communities. Despite the shortage of playing space, the interest in this program will be studied at the forthcoming registration. Therefore any girl in the 9 to 15 year old age group who is interested in softball indicate this interest at the registration at West Junior High.

There has also been numerous requests for Little League baseball to initiate a program for 8 year olds. Once again this expansion cannot be seriously considered

Platform Tourney

Charles "Skip" Wood and Steve Owen, Saturday scored a two-set platform tennis victory in North Andover, in the third of four regional championships of the Hertz-American Platform Tennis Association Championships — a new men's team series for weekend platform tennis players.

Wood and Owen, top seeded in the event and representing the Duxbury Yacht Club and the Dedham Polo and Country Club, triumphed over Bill Dixon and Ben Grifon of Wellesley, 6-2 and 6-3, winding up a day of competition at the North Andover Country Club.

The event pitted competitors from Maine, Massachusetts, New Hampshire, Rhode Island and Vermont.

The tourney series will produce regional and national non-professional champions for the first time in American Platform Tennis Association history. The Hertz-sponsored event will continue in Paoli, Pa., March 18 and 19. The five top-ranking teams from each region will then vie for the title April 1-2 in Montclair, N. J.

Lyman Bullard of Andover was tournament Chairman.

Many people have expressed an interest in the Little League budget. As reported at the 1977 Annual Meeting \$13,923.45 was spent in 1977. The largest expenditures include \$10,471.26 for equipment, \$971.50 for insurance, \$601.95 for trophies, \$576. for umpires, and \$248. for the charter. Receipts totaled \$13,192.66 including \$9645.

from registration, \$2,189. from Tag Day, and \$900. from the Little League Dance and Opening Day refreshment stand run by the Ladies Auxiliary.

Despite the deficit in 1977 the registration fee for 1978 will be maintained at \$15 per child with a maximum of \$25 per family.

The Little League program is organized and run locally by volunteers. Anyone who is interested should come to the registration and talk to one of the Little League officials available.

Veilleux. As the final seconds ran off, the Woofies made several desperado attempts to tie the game but fell just short of putting the game into overtime.

Coach Doug Buchanan of South School stated that both teams played an exceptional game and that he was especially proud of his squad that had taken its second straight Town championship.

All-Tournament selection went to

forwards Greg Sacco and John Best. Both Scott Round and Karl Fredrickson were also named to the squad, recognition of

their tourney effort in allowing only two goals in seventy-two minutes of play.

Warriors Redeem Only Loss In Overtime

By Jess Parks

In what was by far the most exciting game of the year, the Golden Warriors managed to outlast the Lancers of Lawrence High School, 61-57, in double overtime last Thursday night before a packed house at the Lancers' home court.

Perhaps more than anything else, pride was at stake during this tight contest. The Warriors had already clinched the Merrimack Valley League title, but the team all-too-clearly recalled their only loss: a bitter 42-40 defeat at the hands of this same Lawrence team. Lawrence, meanwhile, was on the verge of completing a successful but nonetheless frustrating second-place season; the Lancers had everything to gain and nothing to lose by knocking off their blue and gold rivals.

With both teams keyed up in a genuine "big game" atmosphere, one could only wait for the fuse to burn down.

If you were an Andover fan, it was a long fuse. As in the teams' previous two matches, Lawrence took the early lead. Led by faultless outside shooting from Kevin Maclean (6 points) and a super ef-

fort from Sam Johnson (6 points) the Lancers enjoyed a 16-9 lead. Andover did not help the situation at all by constantly missing second and third shots after getting offensive rebounds.

The second quarter began with a Warrior surge. Geoff Bragdon, who had been conspicuously cold in the first quarter, and A. J. DeFusco provided the firepower as Andover closed to one point at 18-17. Lawrence, however, crashed the party — rolling off eight straight points to lead by nine at 26-17 and again at 28-19. The Warriors would not give in, though, and Bragdon once again led the team in closing the Lancer lead to four, 32-28, at halftime. Just as Bragdon (10 points) was the key for the Warriors in the second quarter, Sam Johnson was Lawrence's claim to fame. Johnson scored 14 first half points and did not miss once shooting from the floor, being a perfect 5-for-5. Eric Sullivan dominated the boards for Andover, however, most of his many offensive rebounds unfortunately became wasted opportunities.

The second half began with a Dave Farrell basket, cutting Lawrence's lead to

a mere two points, 32-30. The Warrior's finally eliminated the Lancer lead altogether as Mike Hart hit from inside to tie the score at 36-36. Geoff Bragdon gave Andover their first lead of the game as he scored to make it 40-38. But the Lancers' Gil Desrosiers tallied a three-point play to carry his team to a 43-41 lead at the end of three quarters.

The fourth quarter was pure hysteria as the score was deadlocked at 45, 47 and 49. With :45 left in the game, Lawrence led 51-49 and Eric Sullivan stepped up to the free throw line shooting two shots. Sullivan had had troubles at the line all night, going 4 for 14, which can only be described as awful. So, as Lawrence fans began to jeer, and Andover fans began to groan, Sullivan had the game in his hands. He sank both shots and the game was tied again at 51-51. After several mangled inbound pass attempts by both teams, the buzzer sounded and it was overtime.

Neither team did anything right in the first overtime. Gil Desrosiers and Eric Sullivan did manage to score though, and tie the game again at 53-53.

In the second overtime, after tying at 55,

the Warriors scored six straight (five of them by Sullivan) and that was that. Lawrence scored the final basket to account for the final score, 61-57.

For Andover it was the kind of victory that one will hope to see more of during the post-season tourney. It also gave the Warriors some beneficial experience in pressure play, something they haven't seen too much of this year.

For the Warriors, top scorer was Eric Sullivan who had a tremendous game with 18 points and 30, yes that's right — thirty rebounds. Geoff Bragdon was there when needed, with 14 points, although Lawrence keyed their defense on him in the crucial minutes of play. A. J. DeFusco picked up any slack in Andover's outside attack with his 10 points. Mike Hart had 15 points and was also powerful at the boards (16 rebounds is no trivial feat). Dave Farrell, although no scoring menace (4 points) more than made up for it with his nine assists.

For Lawrence, Gil Desrosiers led scorers with 15 points, 13 of them in the second half. Kevin Maclean was very effective from outside with 14 points, but was shut out in the all-important fourth quarter. Sam Johnson also had 14 points, but 11 of these came in the first half. Dennis Morin moved the offense with seven assists. Gil Desrosiers (14 rebounds) and Sam Johnson (8 rebounds) led Lawrence at the boards.

Player of the Game: Eric Sullivan. Andover fans everywhere were looking the other way, but Sullivan, under the worst pressure imaginable, put the ball through the hoop. Twice, Sullivan was incredible from every aspect of the game (except free throws) but his play under the boards was most awesome. His thirty rebounds were reminiscent of a Dave Cowens style performance. The previous high for rebounds (one player) was 18.

Pee Wee "A" Team Wins Tournament

The Andover Pee Wee "A" team won the first annual Andover Invitational Tournament in two games played at Phillips Academy and Merrimack College Feb. 19 and 21. In both games the team combined skating and scoring styles which were more effective than the early-season patterns.

In a penalty filled first round game against Chelmsford they came from behind to garner a 4-2 victory. Playing for the championship against Norwood, a team they had not beaten in two previous outings, the low-scoring locals were led to a shut-out, 3-0, by the superb play of goalies Scott Round and Karl Fredrickson. The consolation award went to

Chelmsford as they beat Merrimack, N. H., 4-2.

Greg Sacco's unassisted shorthanded goal in the second period against Chelmsford tied the game at 2 and the Andover skaters took heart. Dean LoPresti scored what proved to be the winning goal with only thirty-one seconds remaining in the same period after Sacco dug the puck out of the corner and passed perfectly to LoPresti at the corner of the net. Zack Apgar scored the insurance goal. John Best's first goal for Andover and his assist on Apgar's score bracketed his steady play. Throughout the game all three lines skated hard to bottle up Chelmsford's attack.

The next important race for the Andover BWL skiers will be the Eastern Massachusetts BWL Team Championship Race to be held at Waltham on Saturday, March 4. All 7 and under racers will be able to participate in this race. Thirty-four racers in the 8 to 15 category will be eligible to ski for Andover in the quest for the Team Championship. Racers were selected based on their performance during the regular season.

Representing Andover at Waltham will be: Girls 8 and 9 — Katrina Smith, Ellen LeMaitre, Susan Gerstberger and Cheryl Crawford; Boys 8 and 9 — jThomas Sutton, Robert Carpentier, John Shaw, Alex Eckel and Mark Baldwin; Girls 10 and 11 — Tina Sutton, Stacey Hostetter, Tracy Hostetter, Sally White, Brenda Busta and Kristina Zissis; Boys 10 and 11 — Thomas Bride, Ellis Eckel, Kirk Orrell and Larry Cuddy; Girls 12 and 13 — Vicki Simpson, Amy Hostetter and Linda Weiner; Boys 12 and 13 — Michael Smotrich, Chris Mattson; Girls 14 and 15 — Carrie Smotrich, Amy Simpson, Robin Weiner, Karen Landy, Sarah Simpson and Ellen Teichert; Boys 14 and 15 — Richard Secord, Tim White, Eric Teichert, Gary Hall.

Alternates will be Alane Sullivan, Johnna Treska, William Baldwin, Brian Busta, Samantha Thomson, Brian Cronin, Robert Teicher, Katy Hughes, Dean Knight, Erik Asgeirsson and Mark Asgeirsson.

To prepare for the Championship, there will be a waxing session at the Rec Park, Andover at 7 p.m. tomorrow.

Plans are underway for the Annual BWL Banquet which will be held on March 28 at Sons of Italy Banquet Hall in Wilmington. Those persons interested in attending are urged to get their reservations in to Mrs. Betty Carpentier as soon as possible.

Stamp Show Set

The Samuel Osgood Stamp Club of Lawrence will conduct its annual stamp exhibition and bourse, SOPEX 78, at the Greater Lawrence Regional Vocational Technical High School, Andover, Saturday, March 11, 10 a.m. to 10 p.m., and March 12 1 to 6 p.m. Approximately 50 frames of philatelic material will be exhibited by Greater Lawrence area residents. Admission and parking are free. There will be a 20-dealer bourse.

The United States postal service has authorized a special pictorial cancellation which will be available only during the show dates.

A show souvenir cover featuring the special postal cancellation and four color cacheted envelope will commemorate the 50th anniversary of the first trans-Atlantic crossing of the airship Graf Zeppelin in 1928. Covers are 50 cents each. If ordering by mail, a stamped, pre-addressed, No. 10 envelope, or gummed labels are requested. Please specify date (s) desired on cancellation.

Send requests for show covers to Dr. J. J. Apsel, P.O. Box 1335, Lawrence, Mass. 01842.

Tina Sutton To Compete At Pat's Peak

After three months of competitive skiing, the team to represent eastern Massachusetts at the Eastern Ski Association BWL Championships to be held at Pat's Peak March 12, was chosen Sunday in an extremely tight Qualifying Race held at Bradford Ski Area.

Tina Sutton will be Andover's representative in the Girls 10 and 11-year-old category. Alternates to the State Team scored in Sunday's race as follows: Girls 8 and 9, 2nd alternate, Katrina Smith; Boys 8 and 9, 2nd alternate, Robert Carpentier; Girls 12 and 13, 2nd alternate, Vicki Simpson, Boys 12 and 13, 2nd alter-

Pops Choral Group Forms

For those who love to sing, the Recreation Community Schools Department is sponsoring a Pops Choral group featuring show music, folk music, spirituals and popular music. There are no auditions; everyone high school age and older is welcome. The aim is informal fun singing.

The chorus will be led by Robb Cook a grad student at New England Conservatory studying choral conducting as well as studying privately at Berklee. He has done community chorus work in Cincinnati and is presently organist/choir director at a church in Chelsea.

The group will meet Tuesday evenings beginning March 7, from 7:30-9 p.m. in the West Elementary auditorium. For further information call the Recreation Community Schools Department.

Clark Chrysler-Plymouth Now Showing Newest Models

The newest in a complete line of Plymouth and Chrysler automobiles are now being shown at Clark Chrysler-Plymouth. Visit their beautiful showrooms at 273 South Union Street in Lawrence and see them all. There is one to suit your family and your budget.

In the popular small car line, discover the new Horizon — Plymouth Horizon, with new confidence, new comfort, a new kind of car for America. You can drive Horizon through wind, rain, sleet and snow with outstanding traction, stability and handling. It's the result of a remarkable

engineering combination of front-wheel drive, rack and pinion steering, radial tires and a "tuned" suspension system.

The Sapporo, another small car, is a new sophisticated car from Plymouth. It's styling is intriguing, and under the hood you will find Chrysler's exclusive Silent Shaft engine, designed to be one of the smoothest and quietest 4-cylinder engines available anywhere.

The Plymouth Arrow, Fury in all models, Plymouth Trail Duster, Volare (with a host of new options in wagons) — they're all there at Clark Chrysler-

Plymouth, waiting your inspection.

The Chrysler LeBaron Town & Country Wagon is more elegant than ever this year. The LeBaron line also includes the 2-door and 4-door sedans, sleek and beautiful.

And for the person of independent taste and demanding standards, Chrysler offers the car that stands apart — Cordoba.

See them — drive them — at Clark Chrysler-Plymouth, 273 South Union Street, Lawrence. Also a good selection of reconditioned used cars. Open weekdays 9 A.M. to 9 P.M., Saturdays 9 — 5. Tel. 688-6053.

DANGER OF WRONG PRICING

Since human nature is predictable, there is a better than even chance that you'll put the wrong selling price on your home if you arrive at it yourself.

You may price it far above its fair market value because of sentimental attachment, expenditures you have made, or by heeding a well-meaning friend's advice. A home remaining on the market for months due to overpricing, frequently becomes a "White Elephant". It eventually sells for a much lower figure than it would have brought originally — had it been

priced realistically.

On the other hand, you might under-price it because of unfamiliarity with the local market. This would be financial folly. Your safest bet is to list your home with a Realtor who will help you price it correctly from the start and sell it for the best profit.

If there is anything we can do to help you in the field of real estate, please phone or drop in at THE HOWE AGENCY, 4 Pynchard Ave., Andover. Phone: 475-5100. We're here to help.

COMPANY as executor
(fiduciary) of the will of said
deceased has been presented
to said Court for allowance.

If you desire to preserve
your right to file an objection
to said account(s), you or your
attorney must file a written
appearance in said Court at
Newburyport on or before the
twenty-seventh day of March,
1978, the return day of this
citation. You may upon
written request by registered
or certified mail to the
fiduciary or to the attorney for
the fiduciary obtain without
cost a copy of said account(s).
If you desire to object to any
item of said account(s), you
must, in addition to filing a
written appearance as
aforesaid, file within thirty
days after said return day or
within such other time as the
Court upon motion may order
a written statement of each
such item together with the
grounds for each objection
thereto, a copy to be served
upon the fiduciary pursuant to
Mass. R. Civ. P. Rule 5.

Witness, ALBERT P.

TOWN OF ANDOVER

PLANNING BOARD
PUBLIC HEARING

In accordance with Chapter
40A, G.L., Section 5, notice is
hereby given that the Andover
Planning Board will hold a
public hearing on Monday,
March 20, 1978, at 8:30 p.m., in
the Town Hall, Conference
Room for consideration of the
following proposed amend-
ment to the Zoning Bylaw.

FLOOR HAZARD ZONING
1) Amend Section 3
Establishment of Districts, by
adding paragraph E) Flood
Hazard District, creating a
flood hazard district within the
Zoning Bylaw, with boun-

daries as designated on the
Federal Insurance Ad-
ministration Flood Insurance
Rate Map and creating a
floodway with boundaries as
designated on the Federal In-
surance Administration Flood
Boundary and Floodway Map.

2) Amend Section 6 by ad-
ding paragraph J) Flood
Hazard District describing the
regulations applicable within
that district. Those
regulations include a require-
ment regarding the elevation
of the lowest floor of residen-
tial structures to or above the
elevation of a 100-year storm,
and the elevation or water-
proofing of the lowest floor of
non-residential structures to
or above that same elevation;
requiring that the flood carry-
ing capacity of watercourses
be maintained, and requiring
that no encroachments of fill
or new construction shall take
place within the floodway un-
less there is a compensating
action taken outside of it to

preclude any increase in resul-
tant flood levels. Paragraph J
also deals with the process by
which Special Permits for ex-
ceptions can be granted.

The full text of these
proposals and copies of the
flood insurance rate map and
the flood boundary and
floodway map are on file with
the Town Clerk's office and
will be available at the public
hearing.

Our demand for elec-
tricity is increasing at the
rate of six percent per per-
son per year. However,
consumption during peak
usage hours is increasing
at the rate of 12 percent an-

more rapidly than the

Dear Property Owner:

With Spring coming, hopefully, we thought you may be considering the sale of your property. **WHY, AND TO WHOM, IS LISTING WITH A REALTOR IMPORTANT?**

TO THE SELLER — Listing with a Realtor who is a member of the Multiple Listing Service, MLS, presents your property to the widest possible field of buyers. We at B. J. Collins Gallery of Homes Realty will handle your sale from determining the fair market value of your property through a Competitive Market Analysis report to seeing that all closing details are taken care of.

TO THE BUYER — Listing with a MLS Realtor affords a prospective buyer the opportunity to review listings before actually visiting property thus making the best use of a buyer's time. We at B. J. Collins Gallery of Homes Realty thoroughly qualify prospective buyers both as to their property needs and their financial situation. This helps a buyer to better determine what he can actually afford on a property best suited to his needs.

TO THE REAL ESTATE OFFICE — Listings are the backbone of a real estate business. We at B. J. Collins Gallery of Homes Realty are prepared to handle the listing of your property in a friendly, efficient, business-like manner. We will be your sales manager, taking care of advertising your property, making all appointments to show your property, presenting and negotiating any and all offers submitted on your property. We completely service what we list leaving you — the property owner — free of worry.

B. J. COLLINS REALTY is a member of **Gallery of Homes**, a national relocation organization. If the reason you are selling your property is because you are being relocated out of the Andover area, we will be happy to ease your move by referring you to a Gallery of Homes agent in the area you are moving to. Likewise, we receive referrals of people coming to the Andover area who may be just the buyer for your property.

We at **B. J. Collins Gallery of Homes Realty** look forward to hearing from you as soon as you decide to put your property up for sale. Just give us a call at **475-1242**.

Sincerely;

Bea Collins — Realtor

Redistricting

(Continued from Page One)

Colleague Elaine Viehmann said she wasn't ready to consider closing one of the elementary schools, but rather was hoping to see a plan for using any space opened up by declining enrollments for the administrative offices now housed in Jackson and Stowe Schools.

Casimir Kolaski added that they couldn't bank on the present decline in enrollment to be permanent. He was looking for more long-term stability, he said.

Coyle said it was his opinion that in five years, the system would not have closed a school, but would still have many options open. If Shawsheen's enrollment drops again, he said, he could envision the growth of the enrichment program there.

Chairman David Ahouse felt the "missing ingredient" in the plan was confidence that "when all is said and done, the best we can do is a three-to-four-year solution rather than something more permanent."

"We're not looking at this time," he said, "to close any school, but to upgrade what we have. We just want to make sure that what we're doing is sound."

He added that he felt the other two alternatives presented — restructuring grades and a voucher system — would be even more chaotic than redistricting.

Supt. Kenneth R. Seifert said he will come back at the March 14 meeting with some more specifics about "what's at the end of the tunnel."

Meanwhile, a public relations effort will be underway to inform parents about town of the possible redistricting action, so they will have a chance to react before a final decision is made.

Town Topics

(Continued from Page Three)

Conference Sessions Scheduled

The board of selectmen has set up a schedule of conference sessions with members of various town boards and committees next week, in preparation for Town Meeting.

Coming up on Monday: 7 p.m., Board of Health; 8:30, Conservation Commission; 9 o'clock, Planning Board; 9 o'clock, Board of Appeals and 9:45, Department of Recreation/Community Schools.

Selectmen Chairman Susan

Poore said Town Meeting will likely run four consecutive nights, beginning Monday, April 24.

School Personnel Action

The school committee Tuesday night approved the retirement of Woodrow Miller, senior custodian at Shawsheen School and a school employee for the past seven years, and the resignation of Cathy Crane, instructional aide at South School and Shelly Nannis, special needs instructional aide at West Jr. High.

The committee also granted a maternity leave of absence from April 21 to the end of the school year for Maureen Robinson, sixth grade teacher at South, and made the following appointments: Marcia Balin, secretary to the pupil personnel administrator; Patricia Leonard, teacher aide at Shawsheen and Moira Reed, special needs instructional aide at West Jr. High.

Coaching positions for the winter season were filled as follows: intramural coordinator at East Jr. High, C. Labelle; coordinator at West Jr. High, J. Darrin; boys gymnastics at East, K. Maglio; girls gymnastics at East, J. Gleason and boys gymnastics at West Jr. High, B. O'Neil.

Final Day To Register

The deadline for registering to vote to be eligible to participate in the town election and annual town meeting will be Tuesday at the town hall from 10 a.m. to 10 p.m.

A special session of the registrars of voters is also scheduled for Saturday from noon to 8 p.m. in town hall.
